BYO. Since re-launching my image I have decided to apply for a license so that I can offer a small quality range of world wines and beers which will be available to compliment my chosen menu. I have a main dining area, a service area, kitchen, a corridor with ladies loo, through to outside courtyard, where there is approx 15 covers at the rear of the premises is an outside mens toilet block and a garage which is used for storage and with lane access to the commercial bins area I have completed a WSET wine course so this is also a personal interest of mine so therefore if I am granted the license, then I shall endeavor to hold wine and cheese events and also a wine club, where my Bistro can also build a wider customer base through a more educational aspect allowing my customers to participate in further learning with world foods and wines. I run my business mainly on bookings only with preference to being more exclusive. I would need my license to be flexible as my bookings are sporadic. My client base has developed mainly through word of mouth advertising and is essentially made up of foodie, well traveled people who enjoy a more quirky, relaxed environment of good food, wine and ambiance. Amongst my customers are local members of Police, well known Local business owners, well known TV, Press and Music Artists and also Local Council Officials. I am also responsible for all the Town Council Buffets for Official events at The Mayors Parlor, Llanelli and The Old Town Hall. I will only keep a small select wine menu, which can be stored easily in small chillers in the service area. I don't intend to keep much back-stock as I am only small with 30 covers. I endeavour to continue to be exclusive and hope that a Personal premises license will help me develop.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

to continue to build good rapport with local Police  
carry out risk assessments  
keep within specified licensing laws  
keep noise to a minimum  
to record and report any incidents  
to ensure no inappropriate activities  
to ensure methods of I.D are used.

b) The prevention of crime and disorder

it helps that I am a neighbor of Ilanelli police station and there is a constant presence of officers who visit or who are constantly in view of the premises, during daytime and eves. This creates a safe vibe for myself and my customers to inhibit any intentions of crime and disorder.

c) Public safety

to ensure appropriate risk assessments are carried out to eliminate risks, that all alcohol is stored safely and correctly, that all empties are disposed of correctly.

d) The prevention of public nuisance

to ensure that noise levels are kept to a minimum and within the correct legal times. to refuse the sale of alcohol to anyone over intoxicated or with intent to cause public nuisance.

e) The protection of children from harm

to ensure minors are not exposed to any unsuitable behavior and to ensure the sale and supply of alcohol is to over 18s by checking appropriate identification .

licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

e) **Relevant Sections of the Local Licensing Policy.**

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:- Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 11 relating to Licensing Hours.

f) **Proposed Operating Schedule.**

Having considered the current application and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule, which refers to the existing licence conditions, is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act .

In view of the previous complaints of noise and following receipt of a letter of representation from Mr Aled Morgan in Environmental Health, the licensing authority requests that the applicant provide further detail regarding the steps that will be taken to ensure that activities which take place at the premises do not undermine the licensing objectives (See sections 5.1 – 5.6 of the Carmarthenshire Licensing Policy). After considering the additional information requested, I will be in a position to suggest whether it would be appropriate for any of the statements made in the operating schedule to be amended and attached as licence conditions.

These representations have been prepared on the 21<sup>st</sup> of November 2017 with the benefit of viewing the original application and representations from Environmental Health.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

**Mr E O R Jones**
