Dear Sir,

Re: Application for the Grant of Premises Licence – Kubus, 29 Station Road, Llanelli, Carmarthenshire SA15 1AW.

Date completed application received – 23/11/2018.

With reference to the above application by the above named for the grant of a Premises Licence, under the Licensing Act 2003.

The following Licensing Activities are applied for.

Supply of Alcohol off the premises only.

Monday to Sunday 09.00 to 21.00

With the premises open for the same hours.

Queen Victoria Road and Murray Street at the town centre end, to where Station Road ends at the Railway Station gates.

The policy was adopted as a result of a request by the police as part of the review of the Licensing Policy in 2010. It was identified that Station Road had a significantly high number of alcohol related crimes and alcohol related anti-social behaviour incidents during the period 2008 to 2010.

The area had previously been identified in 2007 during the then review of the Licensing Policy as a Crime and Disorder 'Hot Spot' due to the number of alcohol related crime and disorder incidents.

A Designated Public Place Order is now in place and covers an area which includes Station Road; this order seeks to prevent the consumption of alcohol in a public place.

If the committee were to go against its own policy on Cumulative Impact the Police would ask that the following conditions be placed on the Premises Licence.

The Carmarthenshire Division of the Dyfed Powys Police will seek that the following conditions be imposed on the Premises licence if the Licensing Panel grants the application.

1. The CCTV system at the premises must be installed by a company certified by SSAIB or NSI Gold standard.
2. The whole of the licensed area with entry and exit areas must be covered by cameras, and there must not be any hidden or obscured areas. This will deal with issues which may have arisen outside the premises when customers have been arriving or leaving.

licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

e) Relevant Sections of the Local Licensing Policy.

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:- Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 10 relating to Cumulative Impact.

Cumulative Impact

The cumulative impact policy was first adopted by the authority in March 2012. In 2016 as part of a review of the Licensing Policy, the Cumulative Impact Policy was reviewed and is set out on pages 19 - 21 of the Licensing Policy document dated February 2016. The evidence supporting the continued adoption of the policy is summarised in paragraphs 1 – 7 on pages 20 and 21 of the Policy document.

The policy creates a presumption that the authority will refuse an application for the grant of a licence in the area defined in paragraph 10.1 of the policy (see below).

The policy does not override the fundamental principle of the Licensing Act, that the Licensing Authority's discretion is only engaged where representations are made, this is set out in paragraph 3.1 on page 5 of the Licensing Policy. Since the Policy document was reviewed in 2016, the Home Office guidance has been amended at paragraph 14.27 to reflect that Cumulative Impact Assessments, as they are now known, may relate to premises licensed for the sale of alcohol for consumption off the premises.

The Licensing Policy document clearly indicates which types of licensed premises are subject to the Policy at paragraph 10.2 which is set out below :-

- 10.1 *The Licensing Authority has received sufficient evidence to show that a Cumulative Impact Policy continues to be required in relation to the lower end of Station Road ,Llanelli, between its junction with Queen Victoria Road south to the railway crossing as shown on the plan attached at appendix F. However, in accordance with paragraph 1.7 this matter will be kept under constant review.*

This Policy applies to any property which has a boundary on the relevant portion of Station Road.

- 10.2 *Where relevant representations are received, it is the Licensing Authority's policy to refuse applications in respect of the lower end of Station Road, Llanelli, between its junction with Queen Victoria Road south to the railway crossing as shown on the plan attached at appendix F for;*

(a) *New Premises Licences*

- (b) *The variation of such licences that are considered likely to add to the existing cumulative impact.*

The policy is intended to be strictly applied and will only be overridden in genuinely exceptional circumstances

Exceptions are unlikely to be made on the grounds that the premises are, or will be, well managed

Exceptions should be directed at the reasons underlying the policy.

An exception might arise where an application proposes;

- (a) *To effect a real reduction in capacity*
- (b) *To replace vertical drinking with seated consumption and waiter service.*
- (c) *To transfer an operation from one premises to another, where the size and location of the second premises is likely to cause less detrimental impact and will promote the licensing objectives.*
- (d) *The substitution of existing licensable activity at a premises with licensable activities which would have less impact on the area and would be more likely to further the licensing objectives.*

Variation applications which are likely to be considered to add to the existing cumulative impact include;

- (a) *An increase in the capacity of the premises*
- (b) *An extension in the hours of operation of the premises*
- (c) *Introducing opportunities to consume alcohol other than ancillary to table meals*
- (d) *Introducing opportunities to take food away from the premises*
- (e) *Introducing dance floors or similar facilities*
- (f) *Any other change to the way the premises operate which is likely to have an impact on the promotion of the licensing objectives.*
- (g) *The varying of an existing licence condition attached to a premises licence, which is likely to have an impact on the promotion of the licensing objectives.*

The Licensing Authority acknowledges that it has departed from the Secretary of State's guidance by including premises which sell alcohol for consumption off the premises within the scope of this policy. However the Licensing Authority believes that this departure is justified due to the evidence of price competitive behaviour linked to street drinking, underage drinking, proxy sales and pre-loading associated with the concentration of such premises in Station Road, Llanelli.

The Licensing Authority acknowledges that this policy goes further than that set out within the Secretary of State's Guidance. However the Licensing Authority believes this is justified on the grounds set out below.

- f) *Proposed Operating Schedule.*

C4

Having considered the current application and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule, is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act .

In our view, should the application be granted, it would be appropriate to replace all the statements made in the operating schedule with the conditions numbered 1 – 15 put forward by the Police in their letter of representation dated the 4th of December 2018.

However the Licensing Authority notes that the Police have submitted an objection to the grant of the application. The authority believes that the Police representations along with the Cumulative Impact Policy with its supporting evidence raises serious questions as to whether it would be appropriate to grant the application.

These representations have been prepared on the 20th of December 2018 with the benefit of viewing the original application and representations from the Dyfed Powys Police.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

Mr E O R Jones
Principal Licensing Officer
