SCRUTINY COMMITTEE

**CHIEF EXECUTIVE'S DEPARTMENTAL BUSINESS PLAN
2020/2023**

(**Extract** relevant to Environment & Public Protection Scrutiny)

BRIEF SUMMARY OF PURPOSE OF REPORT

The full business plan outlines the priorities for the Department during 2020/21. Below is an extract relevant to this Scrutiny for Community Safety.

Community Safety Extract - Progress for 2019/20

Work has continued with partners to progress the 5 priorities identified in the Safer Communities Partnership's action plan:-

County Lines

Awareness of County Lines has continued to be raised among staff in public services and other partner organisations such as private landlords and housing associations. Meetings held of the local Serious and Organised Crime Tactical Group to share intelligence and work collaboratively to address individuals of concern relating to County Lines activity.

Violent Crime including domestic abuse

Further 'Safeguarding' training sessions have been held with licensees, bar and door staff. This is a partnership between the Council's licensing department and the police and includes awareness raising on a range of issues including domestic abuse and the 'White Ribbon Campaign' to end male violence against women. Planning by domestic abuse services, statutory services and the Women Survivors Support Project is ongoing for this year's White Ribbon Day on 25th November and the 16 Days of Action.

Counter-terrorism

206 staff from partners attended multi-agency briefing sessions in March 2019 on County Lines and Counter-Terrorism Prevent and a session was held for County Councillors in June 2019. A number of Prevent Awareness training sessions for public service staff are being arranged with police colleagues. These sessions will aim to help staff to recognise signs of radicalisation, improve awareness of the local Extremism threat and enable staff to raise any concerns. We are waiting for Home Office confirmation of the 'go-live' date for the Dovetail programme across Wales - which is the new proposed approach for administering Channel, part of the Prevent counter-terrorism duty

Cyber Crime

Raising awareness of cybercrime amongst the public, schools, local businesses and public service staff is being considered with partners and colleagues in the Police Digital Communications and Cyber Crime Unit. The Unit delivered a talk at the 50+ Forum on 12 September and had a stall to give information and advice. An article is being prepared for the Forum's letter

Child Sexual Exploitation

Training for professionals on Child Sexual Exploitation, arranged by the Police, was also attended by 15 staff from partners, places were funded by the SCP. The training was well received.

Actions for 2020/21

(linked to Well-being Objective 9 – Supporting good connections with friends, families and safer communities) will be progressed to continue to tackle the 5 priorities as outlined above, subject to formal approval at the February 2020 meeting of the Safer Communities Partnership.
