EXECUTIVE SUMMARY Executive Board Member for Resources decisions meeting 27th February 2020

IRRECOVERABLE ACCOUNTS – Non-Domestic Rates

- 1. The Revenue Services Unit is responsible for collecting significant sums each year in respect of local taxation (Business Rates and Council Tax), Benefit Overpayments and Sundry Debtors (miscellaneous income accounts)
- 2. The net collectable debit, i.e. the total payable after reliefs and allowances, for these income strands will vary from year to year but is normally approaching £200 million, with good collection rates normally achieved.
- 3. Despite these good collection rates there will inevitably be accounts where it has not proved possible to recover the debt in full.
- 4. The attached schedule gives details of Housing Benefit overpayment accounts that have been identified as irrecoverable for the reasons outlined. Recovery procedures, where appropriate, have not secured payment and there is no likelihood of payment now being obtained.
- 5. It is therefore considered appropriate to write off this account totalling £150,607.33 against the bad debt provision the Authority is allowed via the non-domestic rating "pool" mechanism.
