EXECUTIVE SUMMARY
Audit Committee
29th July 2020

Statement of Accounts 2019/20

The Statement of Accounts for 2019/20 brings together all the financial transactions of the Authority for the year, and also details the Authority's assets and liabilities as at the 31st March 2020.

The Authority has maintained the overall Council Fund net expenditure within budget during 2019/20, and you will note the following results are reported in the Movement in Reserves Statement:

Council Fund (Generally available for new expenditure), transfer to balances £844k.
Balances held by schools under local management schemes, transfer from balances £1.608m.
Housing Revenue Account, increase in balance £6.938m.

Whilst a number of service areas across the authority experienced demand led pressures during the year, these have been offset by under-spends in other service areas; specifically on capital financing costs and a higher than estimated collection level on Council Tax.

The resultant outturn has meant that the Authority transferred £844k to its general reserves.

In the preparation of these accounts there have been movements to and from earmarked reserves. In particular transfers to:

The Corporate Retirement Fund: £665k to support the Authority's redundancy and early retirement policy, enabling the Authority to provide for the actuarial strain on the pension Fund which arises from any early retirement or redundancy.

Major Development Fund: Transfer of £2.964m to support major developments in the future.

MEP Capital Funding: £2.728m set aside in the 2019/20 budget to meet the cost of prudential borrowing to finance the Modernising Education Provision programme. This will now be utilised in 2020/21.

The City Deal Reserve: Transfer £1.5m to meet potential future expenditure/liabilities in respect of the development of Carmarthenshire County Council City deal projects.

Resetting Services (Post COVID-19): £2m to deal with any one-off costs of resetting or realigning services during the recovery phase of the COVID-19 pandemic.

Members are therefore asked to retrospectively approve these movements and approve the creation of the Resetting Services (Post COVID-19) Reserve.
