Our key strategic policies are addressed throughout our Well-being Objectives

Crime and disorder are identified and addressed through the *Well-being Objective 8*:

2. Legal

The law states that:-

- a) We must carry out sustainable development, improving the economic, social, environmental and cultural well-being of Wales. The sustainable development principle is
 - '... the public body must act in a manner which seeks to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.'*
- b) We must demonstrate 5 ways of working:
 - Long term, integrated, involving, collaborative and preventative
- c) We must work towards achieving all of the 7 national well-being goals in the Act. Together they provide a shared vision for public bodies to work towards.
 - 1. A prosperous Wales
 - 2. A resilient Wales
