Carmarthenshire County Council Corporate Complaints Policy

On 30th September 2020, the Public Services Ombudsman (PSOW) for Wales and its Complaints Standards Authority (CSA) formally launched a new Model Concerns & Complaints Policy (along with accompanying guidance):

<https://www.ombudsman.wales/complaints-standards-authority/>

Local authorities have been given 6 months from the above date to implement this new Policy/process and submit an updated document to the PSOW.

The model policy does not represent a significant departure from our existing Complaints & Compliments Procedure and complaints handling processes. Nonetheless, key changes include:

- A commitment to providing a refund/reimbursement to complainants in certain circumstances – specifically, where a person had to pay for a service that the Council should have provided. This may have financial implications in cases where this may arise, which are difficult to quantify.
- A requirement to provide bi-annual reports to (Scrutiny) Committees as well as quarterly reports to senior management;
- A commitment to reporting all ‘serious’ complaints to senior management;
- It is stated in the guidance document that complaints that cannot be resolved at Stage 1 (informal response) within 10 working days *should* be escalated to Stage 2. However, it is unclear at the present time whether the Ombudsman would strictly enforce this, given the wording of the guidance. This will be kept under review.

Arrangements to address these requirements are being progressed and it is suggested that complaints reporting are included in quarterly performance management reports from April 2021 onwards.
