

Hi Kirsten,

Unfortunately the only instruction I've had is that the Council will support any objection raised by the Police.

Therefore, the objection would relate to the Anti-Social behaviour in the area and the rise in drink related crimes for the area.

Also since the Council are supporting the objection by the police they would also support the measures recommended by the police that should be put in place should the application be granted.

Kind regards,

Gary

Subject: RE: Hysbysiad o Gais am Drwydded / Notification of Application for a Licence: Kubus, 29 Station Road, Llanelli

Hi Gary

I acknowledge receipt of Llanelli Town Council's response to the consultation, regarding the application for a premises licence for Kubus.

In order for it to be a valid representation, however, it must be based on the Licensing objectives i.e. Prevention of Crime & Disorder, Public Safety, Prevention of Public Nuisance & the Protection of Children from Harm. I would be obliged if you could elaborate on the reasons, based on any or all of these objectives, for your authority's decision to support the Police's objection.

Thanks

Kirsten
