**Executive Summary**  
**Education & Children Scrutiny Committee**  
**11<sup>th</sup> June 2021**

**To provide a report on the progress of Carmarthenshire's ALN  
Transformation Action Plan**

The ALN system is the new statutory support system for children and young people aged 0 to 25 in Wales with ALN that is due to come into force in September 2021.

The legislative framework of the new system is created by the Additional Learning Needs and Education Tribunal (Wales) Act 2018 ('the Act'), the ALN Code for Wales and regulations made under the Act. Through this statutory framework the Welsh Government aims to ensure that all learners with ALN are supported to overcome barriers to learning and can achieve their full potential, by creating:

- a unified legislative framework to support all children of compulsory school age or below with additional learning needs (ALN) and to support young people with ALN who are in school or further education (FE);
- an integrated, collaborative process of assessment, planning and monitoring of the support provided to ALN learners which facilitates early, timely and effective interventions; and
- a fair and transparent system for providing information and advice, and for resolving concerns and appeals.

The purpose of this document is to outline how the local authority is supporting schools with their planning in the implementation of the Additional Learning Needs and Education Tribunal (Wales) Act (ALNET).

ALN is everybody's business, and it is important that all stakeholders are involved in the planning of ALN transformation. Each school should ensure that what is in place is appropriate for them and, more importantly, the learners within the school.
