EXECUTIVE SUMMARY
Licensing Committee
13/07/21

SUBJECT
Delegating Authority to Officers

Exemption from Condition 13(e) of the Council's Licence Conditions for Private Hire Vehicles, and 15(e) of the Council's Licence Conditions for Hackney Carriage Vehicles.

Currently where an application is made to be granted an exemption from Condition 13(e) of the Council's Conditions of Licence for Private Hire Vehicles or 15(e) of the Council's Conditions of Licence for Hackney Carriage Vehicles, applicants must appear before the Licensing Committee. These conditions state that the engine capacity of the vehicle shall not be less than 1200cc.

With the introduction of improved engine technologies, the taxi trade are looking to licence more efficient and environmentally friendly vehicles. These vehicles may have an engine capacity of less than 1200cc, but the actual power output of the vehicle would be the equivalent to that of 1200cc or greater.
