FOR DECISION**

Application No	W/35975
-----------------------	----------------

Application Type	Full Planning Permission
Proposal & Location	CHANGE OF USE OF LAND AND BUILDINGS FOR THE PURPOSES OF A CORPORATE EVENTS VENUE TO HOLD CLAY PIGEON SHOOTING, FISHING AND DEER MANAGEMENT ACTIVITIES AT LAND NEAR PANTGWYN FARM, WHITEMILL, CARMARTHEN

Correction

The penultimate sentence of the first paragraph under the sub-heading 'Clay Pigeon Shooting' that presently reads.... '21no. clay traps are located near to the 8 no. firing locations' should correctly read '**Fifteen clay traps are located near to the 7 no. firing locations.**'

Application No	W/37473
-----------------------	----------------

Application Type	Full Planning Permission
Proposal & Location	RETENTION OF CLAY PIGEON TRAPS, SHOOTING POSITIONS AND ASSOCIATED STRUCTURES AT LAND NEAR PANTGWYN FARM, WHITEMILL, CARMARTHEN

Correction

The opening sentence under the sub-heading 'Proposal' that presently reads.... 'In total the application site area includes 19 Clay trap locations and 7 firing locations. The application site area the subject of this application relates only to these 26 different locations albeit the wider site area is outlined in blue which effectively indicates that it is within the same ownership' should correctly read:

In total the application site area includes **15 clay trap locations and 7 firing locations**. The application site area the subject of this application relates only to these **22** different locations albeit the wider site area is outlined in blue which effectively indicates that it is within the same ownership. 'Fifteen clay traps are located near to the 7 no. firing locations.'
