Project Title	Llesol
Applicant	Plant y Cwm
Ward	Gwendraeth Valley and Llanelli
Food Poverty Criteria	<p>The purpose of this grant relates to the improvement of Food Poverty services such as:</p> <ul style="list-style-type: none"> • Increasing the level of support available and improving the level of coverage across the county. • Extending opening hours to include some evening and weekends • Improving the nutritional value of provisions being provided • Educating the community on the importance of good nutrition, healthy eating and reducing wastage • Establishing sustainable provision to meet the anticipated increase in demand
Project Description	<p>Llesol is an innovative 6-week programme for parents and their children with 2.5-hour sessions which include healthy eating and keeping fit, five a day/dinner plate, healthy cooking, food diary and food labels, recipe book and eating out/meals.</p> <p>All sessions will be delivered bilingually with the emphasis of promoting the Welsh Language.</p> <p>The aim of the sessions will be to learn and have fun together, by focusing on cooking and living a healthier lifestyle. The programme is devised to give children the very best start in life and improve their early life experiences by offering their parents the essential skills they will require to make simple and yet significant changes to their family choices that can have a huge impact of the health and well-being of every family member.</p> <p>Llesol aims to improve parenting skills by offering fun themed activities which raise awareness with simple outcomes which will be easy for the parent to adopt into their everyday lives and aims to increase confidence and basic skills. The themes will include healthy cooking on a budget, raising food awareness, eating at the table, healthy lifestyles and physical activity and play.</p> <p>Llesol aims to aid speech, language and communication development, emotional, social, and behavioural development of the parents and children; improve self-esteem and self-image; family and social relationships; self-care skills and promoting emotional warmth and stability.</p>

	<p>Llesol will target families who have the greatest needs for support as referred by social services, cylchoedd meithrin, nurseries, schools, family centres and health visitors.</p> <p>Plant y Cwm, have many years of experience, in working with families from the most deprived areas across Carmarthenshire and have established strong networks and partnerships with organisations.</p> <p>As the level of obesity amongst children in Carmarthenshire continues to rise (30.7% of 4–5-year-old are overweight or obese) there is an obvious need to tackle parental practises to reinforce the message that children get in school.</p> <p>In addition, there is an opportunity to influence choices made by parents of children at the early years of their lives when many of the contributory factors to chronic health issues and basic skills problems are already established in later life.</p> <p>Plant y Cwm would incorporate the 10 Steps to a Healthy Weight and the New Food Guidelines 2019 in all the activities they deliver, together with the strategies and themes of the The Well-being of Future Generations Act 2015 and Carmarthenshire County Council’s Integrated Community Strategy.</p>

Project Title	Community Café at the Goods Shed
Applicant	Llanelli Railway Good Shed Trust
Ward	Tyisha
Food Poverty Criteria	<p>The purpose of this grant relates to the improvement of Food Poverty services such as:</p> <ul style="list-style-type: none"> Increasing the level of support available and improving the level of coverage across the county. Extending opening hours to include some evening and weekends Improving the nutritional value of provisions being provided Educating the community on the importance of good nutrition, healthy eating and reducing wastage Establishing sustainable provision to meet the anticipated increase in demand
Project Description	<p>The Llanelli Railway Goods Shed Trust (LRGST) aims to transform an iconic asset at the historic former Llanelli Railway Goods Shed into a flagship social enterprise which will address social, economic, environmental, and cultural issues.</p> <p>Community Café During these consultation discussions the establishment of a Community Café became a recurring theme which would reduce social isolation by enabling local people to meet and to ensure that the Goods Shed appears welcoming and inviting from the outset. The grant would part-fund this Community Café. The Café would promote sustainable and low-cost living and healthy eating with a focus on organic and surplus food. Opportunities</p>

	<p>for work experience and training would be offered via our strategic partners CYCA and Coleg Sir Gar.</p> <p>The café will provide a non-threatening environment open to all with an informal atmosphere and low-cost menu option which will assist and encourage customers on low incomes to visit the Goods Shed.</p> <ul style="list-style-type: none"> • Discount vouchers can be exchanged at the café by customers using the Community Foodbank. • Free on-site parking and an accessible building will assist people with disabilities and parents with young children to visit the café in comfort. • Increased opportunities for local participation in community life. <p>Scheduled free workshops such as Cooking on a Budget, Healthy Eating and Knitting and Craft days will be offered at the Goods Shed, they can also share information about other local groups such as Men’s Sheds who offer woodworking and repair skills training to residents.</p> <p>Volunteering opportunities at the Goods Shed together with accredited training will be made available via their Strategic partners CYCA and Coleg Sir Gar. The Goods Shed Trust offers volunteering opportunities to people interested in helping them to renovate the historic building or to participate in their Living and Growing project which involves local volunteers and Horticultural students from Coleg Sir Gar to grow vegetables for community use and for ingredients e.g. soups in the Goods Shed community café.</p> <p>The Goods Shed Trust will work in partnership with Incredible Edible Carmarthenshire to maximise their ability to achieve successful outcomes in the extension to the Community Café initiative, working closely with the Tyisha Community Foodbank to support customers experiencing income and food poverty through discount schemes and the utilisation of any surplus food to reduce food waste.</p> <p>The Community Café will be income generating and staffed largely by volunteers to keep running costs as low as possible. The café would initially be open five days per week from 10 a.m. to 3 p.m. with cookery and workshops held weekly. Feedback from customers will dictate the weekly schedule.</p> <p>CYCA and Coleg Sir Gar are keen to provide opportunities for their volunteers and students to gain experience through placements at the Goods Shed café supported by mentors, offering accredited training with a focus on improving employability and skills levels in the local community e.g.in hospitality and food hygiene.</p> <p>In addition, the Goods Shed Trust has committed to offer three Kickstart opportunities at the Goods Shed. As part of their paid 6-month placements these Trainee Project Workers would gain experience in the Tyisha Community Food Bank (due to be relocated to the Goods Shed) in their Community Outreach Programme and would support the Centre Coordinator in ensuring the Community Café can create additional social and wellbeing outcomes in reducing social isolation and loneliness.</p>

Ward	Carmarthen Town South
Food Poverty Criteria	<p>The purpose of this grant relates to the improvement of Food Poverty services such as:</p> <ul style="list-style-type: none"> • Increasing the level of support available and improving the level of coverage across the county. • Extending opening hours to include some evening and weekends • Improving the nutritional value of provisions being provided • Educating the community on the importance of good nutrition, healthy eating and reducing wastage • Establishing sustainable provision to meet the anticipated increase in demand
Project Description	<p>Carmarthenshire's Food Network was established in February 2021 to bring like-minded people together to look at the best way in which collectively they could support the county to reduce food poverty. The Food Network meets on a regular basis and is facilitated by CAVS.</p> <p>Since March 2020 communities throughout the county have gone into action by opening Food Provisions for their local area inc. Food banks, Hot food kitchens and growing projects that offer comprehensive and wrap around support options to their residents. CAVS became aware that these groups were also including food collection, personal items such as soap and sourcing methods of accessing food, to their offers. CAVS received calls from individuals asking for urgent food support, the Food Network were then able to signpost on and make further links with the growing number of food banks and other support services operating through the pandemic.</p> <p>CAVS have brought together food banks and food share programmes, local community growing projects, hot food projects and the wider community support groups to form a Food Network. In developing and strengthening these food partnerships, bringing together people from the different modalities with the shared focus of tackling food insecurity, the Network has been committed to Connecting>Supporting>Sharing to foster healthy and sustainable local food systems.</p> <p>The Food Network's current plans involve:</p> <ul style="list-style-type: none"> • looking at the feasibility of Carmarthenshire becoming a Sustainable Food Place • growing the network to ensure fair representation • Network involvement in work already being undertaken in county

	<ul style="list-style-type: none"> and supporting equity across the network in terms of training, access to information and ability to best support their communities. <p>Carmarthenshire's Food Network feel it is important to gain momentum for the group and require a dedicated person to support the network going forward. The funds would be used to employ a 22.5 hour a week Network Co-ordinator Assistant post for a period of 9 months.</p>

<p>Project Description</p>	<p>Dwyfor Growing Space is a space for the community. It is the wish of Llanelli Rural Council to rejuvenate the space so numerous community well-being activities can take place there.</p> <p>Community groups are welcome to adopt areas for their projects and it is the wish of the Forum to build on the recent local places for nature package secured from Keep Wales Tidy by ourselves at Dwyfor.</p> <p>They would like to expand the offer of fruit trees there to create a mini/micro-orchard area within the grounds and wish to engage with volunteers and residents to grow fresh produce by purchasing and installing a Polly tunnel and green house, also a shed, which will store the equipment for their volunteers and gardeners.</p> <ul style="list-style-type: none"> • The equipment will provide new opportunities for individuals to grow seasonal produce and cook / eat healthier meals. • The opportunities available from the project will enable people to make new connections in their community and improve their skills and well-being. • A community asset that is back to being used and looked after by and for the community. <p>One way of gaining interest is by advertising the space to their food bank recipients, volunteer working group days will be scheduled in to clear the area and install the equipment to provide the ongoing upkeep, with the end goal being, that volunteers will grow their own produce and all surpluses can go into the food bank's food packages, along with recipe cards and cooking classes to encourage healthier meals and attitudes to growing your own fresh fruit and vegetables.</p> <p>Through the Forum's work, they have established ties with many local groups and services over the years and with this project, they will look to work, learn, and share good practice in land management with the various services that the Rural Council intend on engaging with at Dwyfor</p> <p>The food growing will go on for as long as is possible and the grant will enable the opportunity for them to achieve this and they will work with others and reuse seeds from germination and yields to replant year on year. The aim is that the growing space will become self-sustaining and other general fundraising the forum has adopted will cover any additional or replacement costs.</p>

Project Title	Cwmaman Community Pantry and Cafe
Applicant	Cwmaman Town Council
Ward	Glanamman
Food Poverty Criteria	<p>The purpose of this grant relates to the improvement of Food Poverty services such as:</p> <ul style="list-style-type: none"> • Increasing the level of support available and improving the level of coverage across the county. • Extending opening hours to include some evening and weekends • Improving the nutritional value of provisions being provided • Educating the community on the importance of good nutrition, healthy eating and reducing wastage • Establishing sustainable provision to meet the anticipated increase in demand
Project Description	<p>This is a pilot project in partnership between Cwmaman Town Council and Banc Bwyd Cwmaman, which was set up as an emergency foodbank during the COVID Pandemic.</p> <p>Through conversing with members of the community they understand that people like to give back, thus, echoing the strapline, community -stronger together and the transaction of giving something back is humbling and dignifying and reduces their stigma of using the service.</p> <p>Following consultation with clients of the foodbank it was identified that individuals welcomed the idea of a community pantry and purchasing food at low cost, which reflected the community need identified for affordable food to tackle food insecurities.</p> <p>As a result, they have commenced the transition of the pantry model, which will go live in September and this model allows members to purchase ten items of food at a reduced cost, from various categories. The food produce will mostly be purchased from redistribution programs such as Fareshare, the CO OP, redistribution of food and other donations, still having a provision for crisis food parcels.</p> <p>During the consultation it was also identified that the contributing factors to the food insecurities were mental health issues, repaying debt whilst balancing low income or benefits, paying utility bills, housing issues and substance misuse.</p> <p>The objectives of the community café are to:</p> <ul style="list-style-type: none"> • Provide subsidised nutritional meals at a low cost using the redistributed food from the foodbank contributors at the café. • To reduce food waste.

	<ul style="list-style-type: none"> • To make chilled or frozen nutritional meals from the food from the Pantry to enable users with basic equipment (such as microwaves) to have a varied diet. • To collaborate with Laura Thomas Public Health Dietician to develop recipe cards and meals based on food from the pantry to tackle health issues such as diabetes and obesity because of unbalance food choices. In the future to be able to offer basic nutritional cooking classes to members community. • To create a safe space where vulnerable and marginalised individuals can meet and foster friendships. <p>The revenue element of the grant would be used to:</p> <ul style="list-style-type: none"> • Employ a part time member of staff for 21 hrs to work in the kitchen/café alongside the volunteers. The role of the individual would be to prep and cook down the food to provide low-cost nutritional meals and support the function of the community café. • To upskill and develop volunteers in the Café by offering courses that increase their employability. • To purchase Fare share subscription for 5 months to assist with the pantry and café model. <p>The capital element of the grant would be used to:</p> <ul style="list-style-type: none"> • Purchase equipment/moveable shelving to assist in the manual handling of food produce. • To purchase necessary equipment for the kitchen to assist in the production of the nutritional meals and to comply with food hygiene. • To purchase a fridge and a freezer to safely store the food produce. <p>Banc Bwyd Cwmaman foodbank in partnership with Cwmaman Town Council will be responsible for financially sustaining the future of the project however they will aim to apply for funding from organisations such as Lottery Funding-Awards for All and or, Mynydd y Betws Funding as the criteria for both allows revenue funding.</p> <p>Research will also continue to seek other Grants as well as other initiatives at the community café to increase the potential revenue further for example:</p> <ul style="list-style-type: none"> • Bring your parent for lunch initiative • Luncheon club for the OAP's • Human Library • Brunch club for parents and Toddler's

Food Poverty Criteria	<p>The purpose of this grant relates to the improvement of Food Poverty services such as:</p> <ul style="list-style-type: none"> • Increasing the level of support available and improving the level of coverage across the county. • Extending opening hours to include some evening and weekends • Improving the nutritional value of provisions being provided • Educating the community on the importance of good nutrition, healthy eating and reducing wastage • Establishing sustainable provisional to meet the anticipated increase in demand
Project Description	<p>Tyisha Foodbank has been operating since February 2020, feeding up to 400 families per month. Presently, all the group's records are paper based and that entails a volunteer to write out customer details twice, once in the record book and secondly for a picking sheet.</p> <p>Tyisha Foodbank wish to modernise this system and believe that by having an electronic system it will enhance the service that they provide, for which they are applying for the necessary equipment to do so, being a laptop and mobile phone.</p> <p>This equipment will assist them with ordering and stock control, as well as being able to produce reports when asked by partner organisations such as CCC.</p> <p>Also, with this new system, they will be able to spot trends such as how many times they have fed a resident and dates. From this they can identify resident who may need extra help such as budgeting or benefit advice.</p>
