Y Bedol	1	Mr W Morgan	<p>Applied through Governors for Schools.</p> <p>Application supported by the Chair and Headteacher of Ysgol y Bedol.</p>	<p>'I believe that I can bring a range of skills to the role and, that in itself, motivates me to ensure the very best of what I can give to the role of a Governor. I am aware that there is a wide range of legislation. My career, after leaving Swansea University with a PGCE in Welsh, has led to a number of jobs in Education in both First and Second Language schools in Bridgend, Pembrokeshire and now in Llandovery College, as a Teacher and Housemaster.</p> <p>Now that I am working two days a week from September, I want to give something back to society. I know that my experience and knowledge of being in Secondary Schools, both State and Independent, would be useful and I am more than happy to volunteer my time. During my career, I trained, developed and aspired</p>

				<p>many colleagues and as an Educator, I enjoy watching young people grow and develop.</p> <p>The legal framework means that my liability is very similar to that of the work that I do as a Magistrate in the Family Court and especially with Child Protection. This role has given me the opportunity to deal with some very difficult issues as well as meaningfully using all the skills I have gained from my time in Education.</p> <p>There are so many aspects to this role that would make it rewarding and a stimulating experience. I believe School governors play a vital role in the Welsh education system as part of a wider team working towards the same goal: ensuring that children in Wales receive an excellent education and, as a result, being a critical friend and a school partner.'</p>
