Information Technology	3,915	ICT Services underpins and contributes towards all that the Council delivers both internally as an organisation and externally to service users and communities, independently or in partnership. It is a vital function providing innovative opportunities for improving services and achieving our priorities in an efficient and effective way. IT Services is pivotal as an enabler of change and a vehicle for driving forward transformational improvement to all services. As we continually strive to deliver our solutions in an efficient manner and in line with our key Digital Strategies (Digital Transformation Strategy, Digital Technology Strategy, Digital Schools Strategy) our major savings in future years however will have to be found from our staffing budget. The work the service does significantly contribute to financial savings being delivered from revenue budgets held across the Authority by other service areas.	121	121	0	£73k This will be delivered by further streamlining the software solutions used and reduction in annual maintenance costs through exploiting the Microsoft Enterprise Agreement. £27k - Further improvements work will be carried out by ICT Services on the Corporate network that should deliver increased revenue savings. £21k - further reduction in operations costs.
Corporate Policy	818	Policy & Partnership team deal with Council policy (in relation to Welsh language, sustainable development, equalities and tackling poverty), consultation & engagement with elected members and public, data & information, and public service collaboration through the Local Service Board (to be a statutory requirement) and related strategic partnerships	39	39	0	£20k reduction in grants; £3k reduction in postages; £16k this will be delivered by taking a different approach to the way projects are undertaken within Corporate Policy.
