EXECUTIVE SUMMARY

Vaccination Policy

Background & Summary

Carmarthenshire County Council's role in assisting with the roll of the vaccination programme has been overseen by a Vaccination Tactical Group, and this Group was tasked with developing a vaccination Policy for the Authority that sets out clearly the Authority's approach to vaccination and the ancillary workforce issues that surround it.

The policy has been developed to reflect the changes in guidance and regulation coming from Welsh Government.

The Policy was originally scheduled for discussion earlier in the year but was held back pending national advice / guidance relating to mandatory vaccination. To date there has been no decision on this matter, and so our policy strongly encourages all staff to take up the offer. The policy will be reviewed as and when new guidance is received.

This policy supports the wider issue of Employee wellbeing and Welsh Government/National Government's objectives to combat the Covid19 Pandemic.

2. Legal

As above. As the Law currently stands, as an Employer, we are unable to enforce our staff to be vaccinated. Should this change, then the policy will be amended accordingly.

3. Finance

There is no cost to receiving the vaccination, but there may be direct costs of releasing staff to have their vaccinations, which will be accommodated within existing departmental budgets.
