EXECUTIVE SUMMARY
EDUCATION AND CHILDREN SCRUTINY COMMITTEE
23.12.21

FAMILY SUPPORT SERVICES : EDUCATION AND CHILDREN SERVICES

Purpose: To provide the Scrutiny Committee with an overview of how the Education and Children Services Department is delivering preventative support for families across our County.

BRIEF SUMMARY OF PURPOSE OF REPORT

An overview of the range of Family Support Services provided for families within Carmarthenshire is set out in the Family Support Strategy (2018-2023) which provides the context, overall strategic direction and vision of the service.

The report focuses on how the main preventative programmes of Families First, Flying Start and the Early Years Integration Programmes continue to support families in Carmarthenshire throughout the pandemic.

The service has met many challenges to delivery over the lock down periods of the pandemic. The trends in demand will be explored together with the emerging early impact on children and families and how we aim to meet this demand will be considered.

The report will contain an account of the additional WG funding to mitigate the impact of COVID on children, young people and families and also cover the associated challenges and innovations experienced.
