

8 MAWRTH 2022

Yr Aelod o'r Cabinet	Y Portffolio:
Y Cyng. Jane Tremlett	Gofal Cymdeithasol ac Iechyd

Y PWNC:

TÂL SAFONOL GOFAL PRESWYL AWDURDODAU LLEOL AR GYFER 2022-2023

Yr Argymhellion / Penderfyniadau Allweddol Sydd Eu Hangen:

Bod y Tâl Safonol ar gyfer cartrefi gofal preswyl i bobl hŷn awdurdodau lleol yn cael ei gynyddu o £654.06 i £718.56 ar gyfer gwelyau Prif Ffrwd ac o £884.17 i £935.60 ar gyfer gwelyau Dementia.

Ar gyfer preswylwyr a leolir gan yr awdurdod hwn yn ein Cartrefi Awdurdod Lleol ein hunain, y dyddiad effeithiol ar gyfer y cyfraddau newydd yw 27 Mehefin 22. I'r preswylwyr hynny a leolir yn ein cartrefi gan Awdurdodau Lleol eraill, y dyddiad effeithiol ar gyfer y taliadau newydd i'r awdurdodau hynny yw 11 Ebrill 2022.

Y Rhesymau:

Mae'n ofynnol i oedolion mewn llety preswyl gyfrannu at gost eu gofal. Os oes ganddynt ddigon o adnoddau, mae'n ofynnol iddynt dalu cost lawn eu llety, a elwir yn Dâl Safonol, a gyfrifir yn flynyddol yn seiliedig ar y gost lawn i'r awdurdod o ddarparu'r llety.

**EXECUTIVE SUMMARY
CABINET MEMBER DECISIONS MEETING FOR
SOCIAL CARE AND HEALTH
8 MARCH 2022**

**SUBJECT: LOCAL AUTHORITY RESIDENTIAL CARE STANDARD CHARGE
FOR 2022-2023**

There are currently 7 homes with a total of 248 beds in Carmarthenshire County Council's own residential homes. The overall budgeted costs for running the Authority's residential homes together with the number of beds available and the occupancy levels are the determining factors in calculating the annual Standard Charge.

In previous years, the calculation for the Standard Charge was actioned later in the year to wait for confirmation of the pay award, but its more prudent to agree the rates earlier, so that individuals effected are aware of the increase as early as possible.

For 2022-23 there has been no change in the number of Local Authority beds. Staffing costs have increased due to a revaluation of care staff from C to D grade. An estimated increase in staff costs of 3.25% in line with the Council's Revenue Budget Strategy and extra costs pressures on supplies and services of approx. 2-3%. There are no proposed savings efficiencies reducing the budgets, but there has been a rebalancing of costs between the Dementia Beds and Standard Residential which reflects the growing dependency levels in Residential Care and the difference in uplifts between the 2 charges.

As a result, the charge for mainstream beds will increase by 9.86% and Dementia beds by 5.82%.

Recommendation

The Standard Charge for Local Authority Older People residential care homes be increased from £654.06 to £718.56 for Mainstream beds and from £884.17 to £935.60 for Dementia beds.

DETAILED REPORT ATTACHED?

NO

IMPLICATIONS

I confirm that other than those implications which have been agreed with the appropriate Directors / Heads of Service and are referred to in detail below, there are no other implications associated with this report :

Signed: Jonathan Morgan

Head of Homes and Safer Communities

Policy and Crime & Disorder	Legal	Finance	ICT	Risk Management Issues	Organisational Development	Physical Assets
NONE	NONE	YES	NONE	YES	NONE	NONE

1. Finance

The Standard Charge has been calculated based on the full cost to the authority of providing the accommodation.

5. Risk Management Issues

As there continues to be a cost differential between the Local Authority and the Private Sector this could lead to a shift in placements from Local Authority homes into the Private Sector.

CONSULTATIONS

I confirm that the appropriate consultations have taken in place and the outcomes are as detailed below
