1.0 What is the purpose and context of this report?

The purpose of this report is to create a Local Lettings Policy (LLP) for the Council new build development in Gwynfryn, Saron.

A LLP is being used for the Gwynfryn development as an adjustment to our main lettings policy where specific additional criteria will apply to take account of current housing need and local issues. This will ensure that we provide accommodation solutions for local people in most need, meet our objective to move people on quickly from temporary accommodation and back to their community, and provide opportunities for key workers, helping to create a sustainable community.

2.0 What will the development deliver?

The Gwynfryn development is in the ward of Saron. The development will deliver 28 social rented homes:

- 18 x two-bedroom houses
- 6 x three-bedroom houses
- 4 x four- bedroom houses

The development will be handed over in one phase in April 2022.

Gwynfryn site plan:

3.0 What is the housing need in the area?

The ward of Saron, in which the Gwynfryn development is situated, is an area of high housing need. This need can be best addressed by providing:

- Two-bedroom houses for small families, this includes families currently under occupying larger houses in the area;
- Three-bedroom homes for families; and
- Four-bedroom houses for large families, this includes families currently overcrowded in their current homes in the area.

As a result, this development consists of:

18 x two-bedroom houses;
6 x three-bedroom houses; and
4 x four-bedroom houses.

4.0 What are the aims of the Local Lettings Policy?

This LLP has four key aims, these are:

- **Providing homes for people in housing need, particularly those who are currently homeless;**
- **Providing homes for local people;**
- **Providing homes for key workers; and**
- **Creating a balanced sustainable community.**

This LLP will ensure that the allocations meet local housing need whilst also ensuring that it is a diverse place to live for current and future residents.

With the exception of Priority group 'A', the new homes will be advertised through Canfod Cartref, and the adverts will meet the proposals set out in this Local Lettings Policy. We will seek to identify an appropriate mix of tenants based on their current housing need and individual circumstances. The LLP will also provide opportunities to transfer existing social housing tenants, if it offers up a better use of housing stock and subsequent housing opportunities to others on the housing register.

5.0 What is the Council's Choice Based Lettings process?

The Local Lettings Policy will be implemented in line with the Council's Choice Based Lettings Procedure that states:

"A local lettings policy must be approved by the Cabinet Member for Housing (Council) or the housing association board before it can be put into place. It must have partnership approval to ensure any adverse unintended impact on other partner landlords are mitigated and the review period agreed. An example is, when looking at new housing developments, a local lettings plan is required to ensure a sustainable community cohesion is sought. Preference can be awarded to transfer applicants to allow for a mix of tenants in a new area."

6.0 What will be the letting exclusions at Gwynfryn?

When allocating homes at Gwynfryn, the following groups will be excluded:

There are some groups of people who *by law cannot* join the register regardless of their housing need or circumstances. These are people who:

- Come under various immigration rules and cannot claim housing help;
- Live outside the Common Travel Area, (UK, Channel Islands, the Isle of Man or the Republic of Ireland) for tax purposes;
- Do not have the right to live in the UK; and
- The Secretary of State has decided are not eligible for housing.

In addition to these exclusions the following applicants will also be excluded:

- An applicant, or a member of their household, who are regarded to have met the test of unacceptable behavior under Section 160A(8) of the Housing Act 1996. This would include non-payment of rent, breach of former tenancy conditions, conduct causing nuisance or annoyance and using a property for illegal/immoral purposes.

It is not necessary for the applicant to have been a tenant of the local authority when the unacceptable behavior occurred. The test is whether the behavior would have entitled the local authority to a possession order if the tenant had been a secure tenant.
