The provision of social care services in Carmarthenshire and across the South West Wales Region

What is your interest in the above matter?

I am Director of a private consultancy organisation, Martyn Palfreman Consulting Ltd., and in this role I provide support to public and third sector organisations in Wales relating to strategy, service delivery and leadership development. Although I provide support in a range of service areas, a priority focus for my business is Health and Social Care, reflecting my professional knowledge and experience.

I also am an Associate with [Practice Solutions Ltd](#) and [Hugh Iwin Associates](#) (HICO) which also provide similar services to organisations across Wales. I also work periodically with similar organisations on an ad hoc basis.

I am currently engaged in two time-limited contracts between Carmarthenshire County Council and Practice Solutions Ltd., as follows:

- Supporting partners on the West Wales Regional Partnership Board (including the County Council) with implementation of a regional social value forum (the Innovations Forum), required under Part 2 of the Social Services and Wellbeing (Wales) Act. This involves working with commissioners and providers across the West Wales region and developing a programme for the forum. The work will be completed by 31 March 2023.
- Supporting the County Council with a baseline assessment of age-friendly practice across a range of services to support an application by the Council to join the World Health Organisation's Network of Age Friendly Cities and Communities. This project is currently at inception stage and is expected to be completed by Autumn 2022.

When will the above matter be considered?

#### 4. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please set out below the reasons why you consider that the Standards Committee should grant a dispensation in this case:

***(Please note that failure to complete this section will result in the application form being returned to you)***

From 2013 to 2021 I was employed by the Council as its Head of Regional Collaboration, with responsibility for the management and coordination of the strategic multi-agency health and care partnership in West Wales (the West Wales Care Partnership or WWCP). As such I gained considerable knowledge and experience in the challenges posed by the integration of health and social care services across West Wales, including in Carmarthenshire.

Since leaving the Council I have worked as a consultant in the private sector, including working on projects commissioned by the Council as detailed in section 2 of this application.

I believe that I can bring a wealth of relevant knowledge and experience to any debate or discussion regarding the provision of health and care services in the County which would be of significant benefit to my fellow councillors.

As a councillor I do not hold any position in the authority which has the delegated power to make decisions regarding these services. I am not a cabinet member, nor am I a member of the Health and Social Care Scrutiny Committee. My involvement in Council business of this nature will therefore be limited to participation in any debate at Full Council or representing the interests of my constituents when they have difficulties in relation to the health and care services they receive.

I therefore seek a dispensation allowing me to speak and make written representations in relation to such matters subject to the following;

- Any dispensation not applying on any occasion where the Council or Committee were specifically discussing any work in which I was, had been or potentially could be, directly involved through my business or associated professional activities
- That following completion of the contracts mentioned above, I will not be actively seeking contracts, or to be engaged in commissioned work of this nature, with Carmarthenshire County Council

*(please continue on a separate sheet if necessary)*

I confirm that the information provided on this form is true to the best of my knowledge. I agree that this application and all the information contained within it may form part of a public report to the Standards Committee. I request a dispensation in respect of the above matter.

Signed: Martyn Palfreman
