

# Local Lettings Policy

Parc y Dressig,  
Whitland

## 1.0 What is the purpose and context of this report?

The purpose of this report is to create a Local Lettings Policy (LLP) for Bro Myrddin Housing Association's new build development in Parc y Dressig, Whitland, SA34 0BL.

A LLP is being used for the Parc y Dressig development as an adjustment to our main lettings policy where specific additional criteria will apply to take account of current housing need and local issues. This will ensure that we provide accommodation solutions for local people in most need, meet Carmarthenshire County Councils objective to move people on quickly from temporary accommodation and back to their community, and provide opportunities for key workers, helping to create a sustainable community.

There are 15 new homes on this development to suit general needs applicants. Whilst they are designed as lifetime homes, no specialist adaptations are provided.

## 2.0 What will the development deliver?

The Parc y Dressig development in the ward of Whitland is adjacent to an existing and well established residential neighbourhood at Clos Llwyn Ty Gwyn. The Parc y Dressig homes have been developed to a high standard of energy efficiency, so have PV's on the roof and electric heating so achieving an EPC A rating (101). The development comes with the traditional benefits of being set in a rural area and its design means that the homes can maximise the outlook across the countryside and still achieve a good level of privacy.

The development consists of 15 homes and is a mix of 9 two bedroom houses, 4 three bedroom houses and 2 four bedroom houses. It's anticipated that the development will be handed over in one phase in September 2022.

The site plan is shown below:

### 3.0 What is the housing need in the area?

The ward of Whitland, in which Parc y Dressig is situated, is an area of housing need. This need can be best addressed by providing:

- Two bedroom, three bedroom and four bedroom houses for families, this includes families currently under occupying or overcrowding in the area.

As a result, the development consists of:

- 9 x two-bedroom four person houses
- 4 x three bedroom 5 person houses; and
- 2 x four bedroom seven person houses

### 4.0 What are the aims of the Local Lettings Policy?

This LLP has four key aims, these are:

- **Providing homes for people in housing need, particularly those who are currently homeless;**
- **Providing homes for local people;**
- **Providing homes for key workers; and**
- **Creating a balanced sustainable community.**

This LLP will ensure that the allocations meet local housing need whilst also ensuring that it is a diverse place to live for current and future residents.

With the exception of Priority group 'A', the new homes will be advertised through Canfod Cartref and the adverts will meet the proposals set out in this Local Lettings Policy. We will seek to identify an appropriate mix of tenants based on their current housing need and individual circumstances. The LLP will also provide opportunities to transfer existing social housing tenants, if it offers up a better use of housing stock and subsequent housing opportunities to others on the housing register.

### 5.0 What is the Choice Based Lettings process?

The Local Lettings Policy will be implemented in line with Carmarthenshire County Council's Choice Based Lettings Procedure that states:

*"A local lettings policy must be approved by the Cabinet Member for Housing (Council) or the housing association board before it can be put into place. It must have partnership approval to ensure any adverse unintended impact on other partner landlords are mitigated and the review period agreed.*

*An example is, when looking at new housing developments, a local lettings plan is required to ensure a sustainable community cohesion is sought. Preference can be awarded to transfer applicants to allow for a mix of tenants in a new area."*

### 6.0 What will be the letting exclusions at Parc y Dressig?

When allocating homes at Parc y Dressig, the following groups will be excluded:

There are some groups of people who *by law* **cannot** join the register regardless of their housing need or circumstances. These are people who:

- Come under various immigration rules and cannot claim housing help;
- Live outside the Common Travel Area, (UK, Channel Islands, the Isle of Man or the Republic of Ireland) for tax purposes;
- Do not have the right to live in the UK; and
- The Secretary of State has decided are not eligible for housing.

In addition to these exclusions the following applicants will also be excluded:

- An applicant, or a member of their household, who are regarded to have met the test of unacceptable behaviour under Section 160A(8) of the Housing Act 1996. This would include non-payment of rent, breach of former tenancy conditions, conduct causing nuisance or annoyance and using a property for illegal/immoral purposes.

*It is not necessary for the applicant to have been a tenant of the local authority when the unacceptable behaviour occurred. The test is whether the behaviour would have entitled the local authority to a possession order if the tenant had been a secure tenant.*
