EXECUTIVE SUMMARY

MULTI-LOCATION MEETING POLICY

With the implementation of “The Local Government and Elections (Wales) Act 2021 the Welsh Government has provided Councils the power and freedom to convene multi-location meetings which will enable greater accessibility and public participation in local government decision making.

Meetings must be capable of being held virtually, but each authority can decide whether their meetings will be held fully virtually or multi-location (where some participants are in the same physical location, whilst others join the meeting virtually, also referred to as ‘hybrid meetings’). Authorities cannot hold purely physical meetings (apart from the Dyfed Powys Police & Crime Panel which is subject to separate regulation).

For all meetings, participants must be able to speak to and hear each other; and for meetings which are required to be broadcast participants must also be able to see and be seen by each other. These requirements took effect from May 2021, when the temporary provisions for remote attendance at meetings made under the Coronavirus Meeting Regulations 2020 ended.

The Policy should be considered alongside the existing arrangements for meetings as detailed within the Council Constitution, but will not be included in the Constitution itself.

The Constitutional Review Working Group considered the draft policy at its meeting held on the 20th July 2022 and recommended to the Democratic Services Committee that the policy be endorsed.
