**EXECUTIVE SUMMARY
COUNTY COUNCIL
14th September 2022**

MOTIONS ON NOTICE

1. Motions on Notice (NOMs) are a means for members to provoke debates in Full Council on matters which might not otherwise appear on the agenda for debate.
2. Council Procedure Rule 12 (CPR 12) enables any two members of Council to submit a Motion on Notice. The full CPR can be found at Appendix 1. However, with hindsight it is recognised that requiring one of the two members to be the “proposer” and the other the “seconded” may credit one of the two members with a bigger role in identifying the issue and submitting the NOM than the other, whereas both should equally perhaps be accorded the same status for having identified and submitted the NOM. Whilst this might not be an issue where the two members come from the same political group, the wording may not be conducive for cross-party NOMs
3. At its meeting of the 20th July 2022 the cross party Constitutional review Working Group agreed to recommend amended wording to Full Council to address this issue and to attribute equal credit to the members submitting the NOM. The proposed revised wording is set out in Appendix 2 which essentially allows two or more members to submit a NOM, and to be awarded equal standing.
4. The amended CPR has assumed that at least two members would be required for the submission of a NOM. Some local authorities allow any one member to submit a NOM, but motions cannot be debated, of course, unless they have been proposed and seconded, so requiring at least 2 members addresses that issue upfront.
5. The NOM will still need to be moved and seconded at the meeting, and the right of reply will attach to the mover on the day.
6. No other amendments to CPR 12 eg cap on number of NOMs per County Council meeting, cap on time for debate etc. have been proposed by the Constitutional Review Working Group.
