EXECUTIVE SUMMARY

Ombudsman's Annual Letter 2021/2022 Carmarthenshire County Council

- 1. Annually, the PSOW provides to each County Council a letter in the form of a factsheet with accompanying data. It is provided to assist in reviewing performance.**
- 2. This year's Letter is attached to this summary. Selected items include:**
 - The number of complaints relating to Local Authorities increased by 47% nationally when compared with last year;
 - There has also been a higher number of Code of Conduct complaints when compared with last year. In addition, there has been a record number referred to either the Adjudication Panel for Wales, or local standards committees;
 - Under the new 2019 Act powers, the Ombudsman published the outcome of the first "Own Initiative Investigation" (Homelessness Review), resulting in specific recommendations and suggestions designed to bring about changes for people using homelessness services. The Ombudsman also completed three extended investigations i.e. extending an investigation already underway to cover other issues;
 - Also under the new powers, the Complaints Standards team (CSA) have continued to work with public bodies, and for the first time have published information on complaints handled by Local Authorities. The CSA information showed over 15,000 complaints were recorded by Local Authorities, with nearly half (46%) of those complaints being investigated within 20 working days. About 8% of all closed complaints ended up being referred to the PSOW;
 - In terms of Carmarthenshire specifically, the PSOW received 54 complaints directly to her office against the Council. See Appendix A of the Letter. Whilst all Councils were subject to more complaints, Carmarthenshire was one of the Councils that saw the highest increase. In terms of population the number of complaints equated to 0.29 complaints per 1000 residents, against an average for Wales of 0.36 (Carmarthenshire being the fourth most populous county in Wales). Last year the figure of complaints for Carmarthenshire was 27, which equated to 0.14 against an average of 0.25;
 - Appendix B shows how Carmarthenshire complaints are broken down into subject area. Planning, Housing and complaints handling, nationally and traditionally, generate a large proportion of complaints. It is also mentioned that the classification of subject area is ascribed by the Ombudsman, so does not take into account service structures at Carmarthenshire. Subject areas may therefore contain individual cases that Carmarthenshire would categorise to a different area of service;

- Appendix C shows that there were no reports issued against Carmarthenshire, either upheld or not upheld;
- Appendix D shows to what extent the Ombudsman intervened in cases. These are cases that are settled, resolved early, or where she has issued a report. For Carmarthenshire the rate of interventions decreased when compared with last year. It equated to 14% of cases with the national also being 14%. This is in comparison with 21% of cases last year with a national average of 13%;
- Code of Conduct figures for Carmarthenshire at Appendices E and F, show there were no referrals to the Standards Committee or the Adjudication Panel for Wales.
