

# PWYLLGOR CRAFFU LLE, CYNALIADWYEDD A NEWID YR HINSAWDD

4 HYDREF 2022

## ADOLYGIAD O FLAEN-GYNLLUN DEDDF YR AMGYLCHEDD CYNGOR SIR CAERFYRDDIN 2020-2023

### Y pwrpas:

Mae'r Blaengynllun yn nodi sut mae Cyngor Sir Caerfyrddin yn cyflawni ei ddyletswydd Deddf yr Amgylchedd 2020 – 2023

### Ystyried y materion canlynol a chyflwyno sylwadau arnynt:

Y cynnydd y mae'r Cyngor yn ei wneud o ran cyflawni ei Flaen-gynllun Deddf yr Amgylchedd ar gyfer y cyfnod rhwng mis Ionawr 2020 a mis Rhagfyr 2022 a bodloni ei rwymedigaeth gyfreithiol wrth gyfeirio at y Ddeddf.

### Y rhesymau:

Mae Deddf yr Amgylchedd (Cymru) 2016 yn mynnu bod yr holl gyrff cyhoeddus yng Nghymru, megis awdurdodau lleol, yn cyhoeddi ac yn cyflwyno Blaengynllun Deddf yr Amgylchedd. Mae'r cynlluniau hyn yn nodi sut y bydd sefydliad yn cyflawni ei Ddyletswydd Bioamrywiaeth Adran 6 sy'n cael ei gosod arno gan y Ddeddf hon. Mae'r cynllun yn cwmpasu cyfnod o dair blynedd.

Mae'n rhan o weithdrefn y Cyngor i roi gwybod i'r Pwyllgor Craffu – Diogelu'r Cyhoedd a'r Amgylchedd bob blwyddyn am y cynnydd a wnaed wrth gyflawni ei Flaengynllun. Mae pandemig Covid a phwysau gwaith arall wedi tarfu ar y broses hon.

Mae hefyd yn ofyniad statudol bod Cyngor Sir Caerfyrddin yn adrodd ar ei waith o ran cyflawni Blaen-gynllun Deddf yr Amgylchedd i Lywodraeth Cymru bob tair blynedd. Bydd yn cyflwyno ei adroddiad nesaf i Lywodraeth Cymru ym mis Rhagfyr 2022

Cyhoeddwyd Blaengynllun Deddf yr Amgylchedd cyntaf y Cyngor ym mis Mawrth 2017, ac adroddwyd am y modd y cyflawnwyd y blaengynllun wrth Lywodraeth Cymru ym mis Rhagfyr 2019. Mae'r adroddiad canlynol yn cyfeirio at ail gynllun tair blynedd y Cyngor o fis Ionawr 2020 i fis Rhagfyr 2022. Mae'r camau gweithredu sydd ynddo yn cael eu monitro ym mis Mehefin ac ym mis Rhagfyr bob blwyddyn drwy System Rheoli Gwella Perfformiad y Cyngor.

### YR AELOD CABINET SY'N GYFRIFOL AM Y PORTFFOLIO: -

Cllr. Aled Vaughan Owen - Yr Aelod Cabinet dros Newid Hinsawdd, Datgarboneiddio a Chynaliadwyedd

Y Gyfarwyddiaeth

Enw Pennaeth y Gwasanaeth:

Rhodri D Griffiths

Awdur yr Adroddiad:

Rosie Carmichael

# ENVIRONMENT AND PUBLIC PROTECTION SCRUTINY COMMITTEE

4<sup>TH</sup> OCTOBER 2022

## REVIEW OF CARMARTHENSHIRE COUNTY COUNCIL ENVIRONMENT ACT FORWARD PLAN 2020-2023

### 1. BRIEF SUMMARY OF PURPOSE OF REPORT

The purpose of this report and the plan attached is to inform to Scrutiny Committee of the Council's Environment Act Forward Plan 2020-2023 and the progress the Council is making in delivering the Biodiversity Duty placed on it by the Environment (Wales) Act 2016.

This duty is as follows:

*'Section 6. Biodiversity and resilience of ecosystems duty*

*(1) A public authority must seek to maintain and enhance biodiversity in the exercise of functions in relation to Wales, and in so doing promote the resilience of ecosystems, so far as consistent with the proper exercise of those functions.'*

The actions set out in the Forward Plan are linked to the Council's Well-being Objectives (WBO10) and target dates for delivery of each action and the posts responsible are identified. Actions have been set out so as to be easily added to the relevant departmental business plans 2021/2022.

The Plan covers the period January 2020 to December 2022.

DETAILED REPORT ATTACHED?

YES

# IMPLICATIONS

I confirm that other than those implications which have been agreed with the appropriate Directors / Heads of Service and are referred to in detail below, there are no other implications associated with this report:

Signed: 

Rhodri Griffiths Head of Place and Sustainability

Policy, Crime & Disorder and Equalities	Legal	Finance	ICT	Risk Management Issues	Staffing Implications	Physical Assets
<b>NONE</b>	<b>YES</b>	<b>YES</b>	<b>NONE</b>	<b>YES</b>	<b>NONE</b>	<b>YES</b>

## 2. Legal

The delivery of the Environment Act Forward Plan 2020 – 2023 is consistent with the Section 6 Biodiversity Duty placed on all public bodies in Wales under the Environment Act (Wales) 2016. Delivery of the actions set out in the Report evidences the Council's commitment to fulfilling this duty and its compliance with this Act. It is also consistent with its responsibilities under the Well-Being of Future Generations (Wales) Act 2015 and in particular the Resilient Wales goal.

## 3. Finance

While the action plan identifies actions that will result in costs, these costs will be met by the budgets linked to these projects e.g., in Section 5 of the report all the site management works proposed are covered by existing budgets and grant aid. In both Section 6 Caeau Mynydd Mawr project and Section 7 Delivering Biodiversity on Development sites, all the actions proposed will be delivered via S106 agreements funded by developers.

## 5. Risk Management Issues

Failure to publish and deliver its Environment Act Forward Plan 2020-2023 places a reputational risk on the Council. It also risks its compliance with its S6 Biodiversity Duty under the Environment (Wales) Act 2016 and fulfilling its legal duty.

## 6. Physical Assets

Delivery of the Environment Act Forward Plan will have an impact on how the Council manages some of the assets for which it is responsible e.g., Action 7.3 - the management of Mynydd Mawr Woodland Park will change as areas of scrub development is reverted to open mosaic habitats.

# CONSULTATIONS

I confirm that the appropriate consultations have taken in place and the outcomes are as detailed below

Signed:

Rhodri Griffiths Head of Place and Sustainability

1. Local Member(s) - N/A
2. Community / Town Council - N/A
3. Relevant Partners - N/A
4. Staff Side Representatives and other Organisations - N/A

**CABINET MEMBER PORTFOLIO  
HOLDER(S) AWARE/CONSULTED**  
YES

Cllr. Aled Vaughan Owen is happy with content of the report and looks forward to the preparation of the Council's next Environment Act Forward Plan (Jan 2023- Dec 2025). Working with the new Advisory Panel, CCC will look to ways to address the Nature Emergency and opportunities for nature-based solutions that will provide for climate adaptation and mitigation.
