**Subject:** RE: Hysbysiad o Gais am Drwydded / Notification of Application for a Licence: Zabka Super Minimarket, 2 Stryd Cowell/Street, Llanewlli.

Dear Andrew

Llanelli town is suffering from antisocial behaviour and high litter and waste problems as well as the Public park a short distance from this premises. We have difficulty now in managing this major problem within the town and given no control on the sale of alcohol in this area I feel I must object to protect our town.

The licence premises in Cowell Street is controlled through sales with the landlords of those premises and contain any drinking problems to those premises. All bottles and litter is controlled to those premises. Allowing this premise to sell alcohol to the public in this location I feel will impact negatively with the community and businesses within the town as well as encouraging social drinking in the area with little concern by some adding to the current fly tipping and littering in public spaces. It will also impact on the public spaces order with many who flout this order in this town and park area.

The spin off to this being granted I can honestly say will be negative for the town and added cost for the county in clearing up the mess from the current antisocial individuals that frequent the town. It will impact on the police services that currently patrol the Town dealing with people that come in for substance misuse treatment.

My current feel to this is no retail carry sales of alcohol here and Stepney street to protect the town from further antisocial with the groups that are frequenting the town.

I must say I object to this application.

Best

Cllr Terry Davies

CC To Cllr Louvain Roberts

As to member of the Tyisha and Glan Y Mor Safer Communities Action group.

Good Evening.

I strongly oppose yet another Outlet given a license .

There are enough Outlets ,selling Alcohol within the Vicinity.

Town Area and surrounding Wards, suffer with the litter / ASB. As a result.

It's a resounding no from myself.

Cllr L Roberts
