EXECUTIVE SUMMARY EXECUTIVE BOARD 20/06/2016

MODERNISING EDUCATION PROGRAMME

PROPOSAL TO CHANGE THE LANGUAGE CATEGORY OF YSGOL BRO MYRDDIN FROM BILINGUAL (2A) TO WELSH MEDIUM (WM)

Background

Ysgol Gyfun Gymraeg Bro Myrddin is currently a Category 2A Bilingual school. The description in Carmarthenshire's Welsh in Education Strategic Plan of category 2A is '*At least 80% of subjects apart from English and Welsh are taught only through the medium of Welsh to all pupils. One or two subjects are taught to some pupils in English or in both languages.*'

In recent years the school has moved along the language continuum naturally in accordance with Carmarthenshire's Welsh in Education Strategic Plan 2014-17. At present there are no pupils studying Mathematics in English in years 7 to 10 and only one group of pupils have chosen to study science in English in year 7. The change has occurred organically over a period of years and it offers an opportunity therefore, to proceed further by establishing the first WM category secondary school in Carmarthenshire.

The Department for Education and Children fully supports the schools desire to continue along the Welsh language continuum and to change the language category to Welsh Medium (WM). The description of a category WM school is '*All subjects apart from English are taught through the medium of Welsh to all pupils, although some schools may introduce English terminology in one or two subjects.*'

An informal consultation with pupils, governors, staff and parents of existing and prospective was completed. However, under the 2013 School Organisation Code a regulated alteration such as a change in the language category of a school requires a proposal to be published to formalise arrangements. The Authority was therefore required to complete a statutory consultation process which was completed in the Autumn Term 2015.

In accordance with County Council's instructions, in October 2015 a consultation document (attached) was produced and distributed to identified interested parties with regard to the following proposal:

- To change the language category of Ysgol Bro Myrddin School to Welsh Medium (WM) (as laid out in the consultation document) from September 2016.

As part of the consultation process consultees were invited to forward their observations or any comments they wished to make in relation to the proposal to the Council.

Following the formal consultation period, a consultation report (attached) which summarised all of the observations received and the Local Authority's responses to these observations was presented to the ECS Scrutiny Committee, Executive Board and ultimately to the County Council for decision of whether or not to publish a statutory notice to implement the proposal.

In March 2016 approval was given by the County Council for the publication of the Statutory Notice. The Statutory Notice (attached) was published on 13th April 2016. The notice provided objectors with 28 days in which to forward their objections in writing to the Council. The Statutory Notice period ended on 10th May 2016. A total of 2 objections were received to the Statutory Notice.

The attached Objection Report which summarises the objections received by stakeholders, has been presented to the ECS Scrutiny Committee and ultimately will be presented to the County Council for their consideration.

This provides the ECS Scrutiny Committee and Executive Board the opportunity to offer comment and a recommendation to County Council whether or not to implement the proposal as laid out in the Statutory Notice.

Should the County Council agree to implement the proposal, the language category of Ysgol Gyfun Gymraeg Bro Myrddin will change from category Bilingual 2A to category Welsh medium from 1 September 2016.

Recommendation:

That the Executive Board recommend to the County Council the implementation of the proposal as laid out in the Statutory Notice.
