

Play Sufficiency Assessment Form

Llywodraeth Cymru
Welsh Government

Name of Local Authority: Carmarthenshire County Council

Name of responsible officer: Caryl Alban

Job title: Play Sufficiency Officer

Date of completion: Submitted to Welsh Government in **DRAFT** on 24th March 2016

Please note that the Play Sufficiency Assessment must be received by the Welsh Government by 31st March 2016

Conducting the Assessment – Play Sufficiency Assessment

As well as establishing a baseline of provision, the Play Sufficiency Assessment will enable the following:

- Identification of gaps in information, provision, service delivery and policy implementation
- Support the establishment of evidence to give an indication of distance travelled in relation to play sufficiency
- Highlight potential ways of addressing issues relating to partnership working
- The input and involvement of all partners increasing levels of knowledge and understanding
- A monitoring system which will involve and improve communication between professionals
- The identification of good practice examples
- Increased levels of partnerships in assessing sufficient play opportunities
- The identification of actions for the Securing Play Sufficiency Action Plan which accompanies the Play Sufficiency Assessment

A template has been produced to support a corporate appraisal of the matters that need to be taken into account as set out in the Statutory Guidance. The indicators listed within each matter are provided as sample indicators which should be amended to meet local issues as appropriate.

The Play Sufficiency Assessment must demonstrate that the Local Authority has taken into account and assessed the matters set out in The Play Sufficiency Assessment (Wales) Regulations 2012 and Statutory Guidance.

As well as providing baseline information, the Assessment can include examples of current practice that the Local Authority wishes to highlight.

Local Authorities might consider structuring the Play Sufficiency Assessment in the following way and as a minimum address all the identified sections.

Principle Statement

This section should be used to articulate the Local Authority's acknowledgement of the value and importance of play in the lives of children.

Carmarthenshire County Council is committed to ensuring that every child and young person living in the county has access to exciting, stimulating and creative play experiences, by providing both supervised and unsupervised quality play provision that gives opportunity for challenge. The Local Authority recognises that high quality play opportunities for all children contribute to mitigating the negative effects of poverty on the lives of children and young people and contribute towards building their resilience. Play is also a means of reducing inequalities between children living in families that can afford costly play activities and those that cannot and therefore reducing poverty of experience for all children.

The Local Authority produced its first local Play Strategy in 2008. This was a three year strategy accompanied by a detailed Action Plan. The Play Officer had responsibility for the monitoring and reviewing of the Action Plan at mid year and end of year intervals and reported progress to Welsh Government. The aim of the strategy was to raise the profile of play across the county, and to provide a platform from which play opportunities could be developed.

In recognition of the importance of play, the Local Authority has also adhered to the statutory duty placed on them to complete and submit a comprehensive Play Sufficiency Assessment at three year intervals in 2012 and 2016. A Play Sufficiency Stakeholder Group has been established and an annual Play Sufficiency Action Plan has been produced and worked towards in order to ensure that children's play opportunities are prioritised.

Carmarthenshire County Council recognises that play is an essential part of children and young people's lives, and appreciates that

when playing children choose what they want to do themselves, how they want to do it and why they want to do it. It is an integral part of healthy emotional and physical development, for society as well as children and young people themselves.

Play is the means by which children and young people explore their environment, their world, their roles and relationships. Play provides opportunities for problem solving, language development, creativity, communication, negotiation and listening skills. It provides an opportunity to learn about risk that is an essential element of confidence building.

A rich play environment is one where children and young people are able to make a wide range of choices, where there are many possibilities so that they can invent and extend their own play. This could be any space, or setting, either indoors or outdoors and may include local play areas, parks, play centres, staffed adventure playgrounds, out of school care, forest schools, mobile play provision, playgroups, day nurseries, schools and Cylchoedd Ti a Fi.

Quality play provision should offer children and young people a rich and stimulating environment free from inappropriate risks, and full of challenge, providing them with the opportunity to explore themselves and their world.

Providing appropriate play opportunities for children and young people of different ages and abilities and stages of development can be best achieved by developing as wide a range of inclusive play provision as possible.

We welcome the fact that the Children's Commissioner for Wales has identified play as one of the top priorities for children and young people across Wales as part of the consultations undertaken for the Beth Nesaf? What Next? Consultation. As a result of these priorities and the Statutory Duty placed on Local Authorities it is paramount that a designated funding stream is allocated to play development in order to achieve this vision for Wales.

Context

This section should describe the methodology used to undertake and approve the Play Sufficiency Assessment and Action Plan and any consultation with partners on the Assessment/Action Plan. It should also list the key partners that engaged with the process and identify any challenges in undertaking the Assessment. It should describe the mechanism that the Local Authority proposes to use to take forward the identified actions for the action plan.

The lead officer with responsibility for co-ordinating the completion of the Play Sufficiency Assessment continues to be the Play Sufficiency Officer based within the Family Information, Childcare and Play Team, Children's Services, Carmarthenshire County Council. Prior to the first Play Sufficiency Assessment a Play Sufficiency Stakeholder Group was developed in September 2012 and membership consists of representatives from various Local Authority departments. The group officially meets on a termly basis and monitors the progress of the annual Play Sufficiency Action Plans. In order to complete the second Play Sufficiency Assessment the group has met on a monthly basis since September 2015 and will continue to do so until the final submission.

Each member of the Play Sufficiency Stakeholder Group had responsibility for completing their relevant section of the assessment form and were required to submit to the Play Sufficiency Officer by 31st January 2016. The Play Sufficiency Officer collated the information and along with the consultation responses completed the assessment form. A draft copy of the assessment was circulated to the group members prior to the meeting scheduled for 24th February 2016 and any required amendments would be completed and agreement was sought from group members on the 24th February during the meeting.

In order to have the Play Sufficiency Assessment and Action Plan approved, the following timescales and processes were followed:

Tuesday 10th March 2016 - Play Sufficiency Assessment discussed at Departmental Management Team

Tuesday 19th April 2016 - Corporate Management Team (CMT)

Monday 25th April 2016 - Preliminary Executive Board (PEB)

Monday 23rd May 2016 - Scrutiny

The following key partners / departments / organisations were involved in the process:

Mentrau Iaith

Groundworks Wales

Mencap

Hywel Dda Public Health Team
Communities First
Play Leader - Open Access Play Sessions at the Integrated Children's Centres
Healthy Schools Officer - School Effectiveness
Technical Assistant - Property Services
Family Support Co-ordinator - Corporate Parenting (Children with disabilities)
Asset Management Surveyor - Corporate Property
Sports Development - Disabled Sports Development Officer
Sports Development - Active Young People Officer
Leisure and Recreation - Business and Projects Manager
Road Safety Officer - Transport and Engineering
Forward Planning Officer - Planning Services
Contributions Officer - Planning Services
Senior Youth Officer - Improvement and Skills
Giant Steps Co-ordinator - Education and Children
Further Education College Support Youth Worker
Assistant Area Housing Manager - Property Services
Business and Projects Manager - Leisure and Recreation
Active Young Persons Officer - Leisure and Recreation

Method:

The Play Sufficiency Stakeholder Group meets on a monthly basis to monitor the progress of the assessment and ensure the assessment is completed within the timescale. Information was collected from the group members and from external partner agencies. Consultations were conducted with children, young people, parents/carers, schools and Town and Community Councils. A meeting with Cllr Gareth Jones (Lead member for Education and Children) in order to inform him of the assessment, the progress made and also to highlight the challenges we face as a Local Authority in securing sufficient play opportunities without an allocated funding stream. Approval was sought from the Departmental Management Team, Corporate Management Team, Preliminary Executive Board, Scrutiny and Executive Board prior to submitting the final copy of the Play Sufficiency Assessment to Welsh Government.

Challenges

There are many challenges associated with the duty placed on Local Authorities to assess for and secure sufficient play opportunities. There is a strong emphasis within the guidance notes to work collaboratively across Local Authority Departments in

order to complete the assessment and also to realign budgets to address the gaps within the Play Sufficiency Assessment; engaging departments has been easier during this assessment as relationships had been forged as a result of the initial assessment. However, since the last assessment significant changes have occurred within many departments affecting budgets and staffing levels which has resulted in members not being able to dedicate as much time to attending meetings. In relation to utilising various budgets for addressing the gaps identified within the assessment, various attempts have been made to explore this possibility however due to the extent of the efficiency savings required over the coming years this has not been viable.

Taking forward Actions

The gaps identified within the assessment have been included within the Action Plan for 2016/2017. The Action Plan will be reviewed at mid point in September 2016 and fully at the end of March 2017. The priorities identified within the Action Plan will be used when any funding becomes available for addressing these priorities.

Partnership working

This section should demonstrate to what extent the following (and others) were involved in the undertaking of the Assessment and the development of the action plan:

- Town and Community Councils
- Third sector organisations, particularly regional play associations
- The private sector if appropriate
- Community groups
- Community First Partnerships

Each Town and Community Council were sent a questionnaire with regards to the assets they had within their community and with regards to play opportunities in general. Each Town and Community Council will receive a copy of the Summary Document of the findings when the assessment has been approved by the Executive Board.

Mentrau Iaith, Purple Routes Open Access Play Team, Carmarthenshire Youth Children's Association (CYCA) and Family Centres contributed to the consultation process related to the play provision available.

Community First Partnerships have a representative on the Play Sufficiency Stakeholder Group and have fed into the assessment form.

Consultation and participation

This section should describe how the Local Authority has:

- Obtained the views of children with regards to the play opportunities they currently access, how they would like the community to better support them to play and what barriers stop them from playing
- Obtained the views on play provision from parents, families and other stakeholders
- Analysed the information and have used it to inform future plans

In order for the play opportunities across Carmarthenshire to meet the needs of the children and young people it was essential that they were consulted with along with their parent/carers; communities and schools. The consultation period commenced August 2016 to 31st January 2016. The consultations consisted of the following:

1,437 individuals took part in the Play Sufficiency Assessment consultation process.

Children (total of 1,890 questionnaires distributed):

637 children participated (282 males and 355 females)

The age of the children ranged from 4 to 11 years old.

The children were from both Welsh and English medium schools.

Focus Groups took place within 8 Primary Schools (Penygaer, Stebonheath, Bigyn, Y Dderwen, Cae'r Felin, Furnace, Richmond Park and Llandeilo)

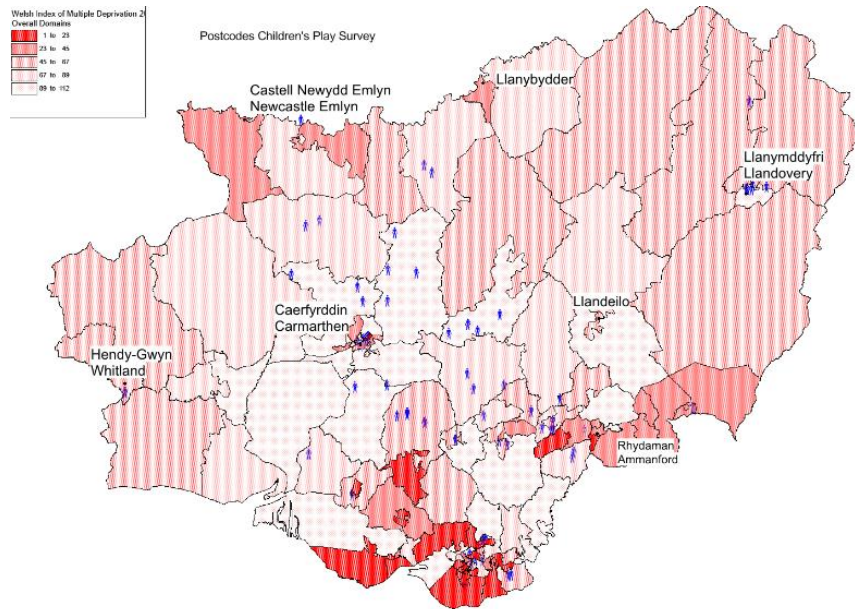

Questionnaires were distributed to 11 Summer Playschemes

7 Events were attended and questionnaires were distributed to children in attendance.

Young Carers, Disabled children and young people, Gypsy Traveller children were also consulted with via designated officers.

All primary school councils received consultation questionnaires to complete and return.

The below map depict the areas across the county that the children were from (not all children provided postcodes)

Youth: (total of 616 questionnaires distributed):

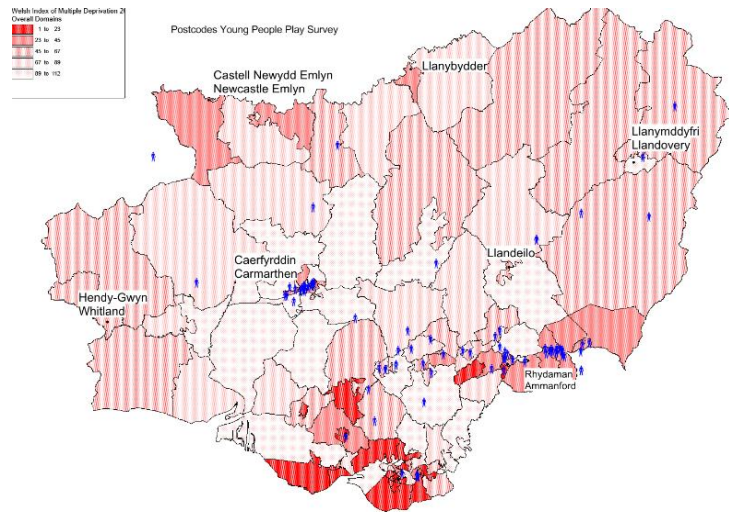

230 young people participated (124 males and 44 females - not all commented on their gender)

The age of the young people ranged from 12-25 years old.

The young people were from both Welsh and English medium schools

Questionnaires were distributed to Coleg Sir Gar, Youth Councils, Rhyd y Gors school, Youth Service, Dr Mz and disabled young people.

The below map depicts the distribution of young people who participated in the consultation (not all provided their postcodes)

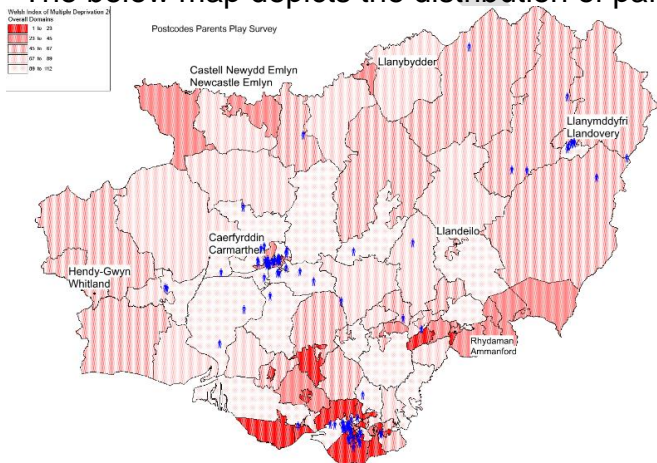

Parents: (2,354 questionnaires distributed):

490 parents/carers participated

Parents of children with additional needs, all council staff, parents attending the Trimsaran Family Centre participated in a focus group session, and a focus group took place on a Gypsy Traveller site.

The below map depicts the distribution of parents who participated in the consultations (not all parents provided postcodes)

Town and Community Councils (72 questionnaires distributed)

39 Town and Community councils responded

Schools (Questionnaires distributed to 102 Primary Schools and 14 Secondary schools)

41 schools participated

All questionnaires were placed on the Local Authority website, Facebook, and Twitter

The questionnaires used within the consultations were based on the ones provided within the Play Sufficiency Assessment Toolkit as advised by Play Wales in order for comparisons to be made across Wales.

Analysis:

The consultation findings have provided a great deal of valuable information and key messages.

Key findings from the children's consultations

90% of children stated that playing or hanging out makes them feel happy, followed by 60% feeling excited and 49% being active. Only 3% reported feeling bored.

45% of the children feel that they can do what they like the best when playing out, with only 12% feeling they hardly had anything to do.

Chatting and being with friends (63%), running and chasing games (61%), out with family (55%) and ball games (55%) and climbing (54%) were the most popular activities to participate in when out and about.

The most popular places to play or hang out for children are the fixed play areas (49%), local grassy areas or fields (35%) or beaches, seaside and river (33%).

The greatest barrier to playing out was the weather (49%), darkness (41%), too busy with homework (31%).

When asked how we could improve their opportunities to play or hang out 32% said make their roads safer, 31% ask people not to smoke and 27% ask owners to clear dog mess.

Focus Group findings:

A total of 8 Primary Schools took part in the focus group sessions (a total of 150 pupils). The sessions consisted of a game called 'Guesstimates' where the children were given play related statements and asked to guess how many children in the room they applied to i.e Who plays outside without adult supervision, How many carry a mobile phone whilst out playing, How many play ball on the streets/lanes? The majority of the children questioned stated that they were allowed to play outside with their friends and without adult supervision. 69% of the children questioned were allowed to get dirty, with 95% stating that they were allowed to splash in puddles. Most of the children who took part in the focus groups reported having very positive play experiences and pupils from one school in particular relied heavily on a local grassy area for providing play opportunities. A few children reported not being allowed to play due to their commitments to sports clubs and not being allowed to play due to fear of injury which would impinge on their sporting capability. In order to find out what the children would benefit most from in terms of play opportunities the activity 'Two Stars and a Wish' was used in 7 of the 8 schools (94 children). The children were asked to think of the two activities they enjoyed doing the most at the moment and then to think of the one thing they would really enjoy doing in their free time but can't do at the moment. The most popular answer for their one wish was to see friends more (13), swimming (10), to have a pet (8), Go to town (7) and the park (6)

Key findings of the young people questionnaires

79% of the young people stated that hanging out made them feel happy, with 44% feeling active and 35% free. Only 5% reported feeling bored when hanging out.

42% felt that they could do the things they liked the best when they were hanging out.

When the young people had time to hang out 45% enjoyed chatting and being with friends; 38% played ball games and 32% spent time with family.

31% of the young people spent their time at the football field/sports pitch; 30% at the local grassy area/field; and 22% on the streets near their houses.

The biggest barriers to hanging out is the weather (35%), homework (27%), nothing to do (26%) and playing electronic devices (24%).

When questioned on how we could help them, 31% stated transport as an issue; 20% ask dog owners to pick up dog mess; 17% want us to find safer ways to cross roads/get around.

Key findings from the parent questionnaires

38% reported that their children played out a few days a week with 19% stating that their children don't play or hang out outside. 42% felt that children had just enough time to play, but 31% felt they needed more time.

The main places for playing or hanging out were the house, garden, fixed play area or indoor play centre.

47% of the parents stated that the children and young people accessed a play opportunity via car or walking with an adult. 44% worry about their child's safety with 32% worrying so much it affected their children's opportunity to play.

76% of parents reported road traffic as being the main barrier to playing, 42% dog mess/litter/glass; 41% other adults. Many questionnaires and the focus group sessions show that parents feared strangers or paedophiles abducting their children and therefore this affected how much freedom their children had to play. The parents within the focus group meeting stated strongly that they had a fear of strangers and paedophiles and that this fear would have an effect on their children's play opportunities. These fears would prohibit them from allowing their children to play outside of the home boundaries i.e on the street and also the parents were scared of taking their children to a local park for fear of strangers watching their children.

Key findings from the Town and Community Council questionnaires

The majority of the Town and Community Councils stated that children played at home, on the local playing fields, at the fixed play area or on the streets.

19% stated that play was prohibited or restricted i.e No Ball Games, kite flying due to high voltage cables.

59% reported that the main barriers to children playing were busy roads.

The barriers that the Town and Community Councils face in providing play opportunities within their areas are:

No space available

Cost

Maintenance/Upkeep

Lack of adults to supervise clubs

Most Town and Community Councils had no plans at present to increase children and young people's play opportunities in the areas.

Key findings from the school play survey

90% of the schools who responded had grassed areas for the children to play. Some reported having climbing walls. In 95% of the schools sports equipment was the available resource during break times, with fixed play equipment (80%), surface markings (78%) and Toys (68%) being the most popular. Schools also reported having bikes and scooters as resources.

Most of the staff were out on the yard at break times in a supervisory role, with some joining in and facilitating play. 74% of the schools reported that resources would make break times more playful along with training (66%). The majority of schools reported that they would welcome lunchtime supervisor training in order to up skill staff in their roles within children's play.

Most schools did not allow children access to the school grounds (apart from after school clubs). If the buildings are accessed the charges relate to the Local Authority approved letting charges.

Maximising resources

This section should provide an overview as to how partners currently use their existing budgets to support children’s access to play opportunities. It should identify how budgets have been reprioritised as part of the 2013 Play Sufficiency Assessments and subsequent plans.

Please use this section to highlight what has changed since the 2013 Play Sufficiency Action Plan in terms of how resources are allocated.

Please also highlight how Welsh Government programmes have been used locally for the provision of play and how they have addressed priorities from your 2013 play sufficiency assessment:

Budgets have not been reprioritised as a result of the 2013 Play Sufficiency Assessment as budgets across departments have been reduced significantly and departments are struggling to achieve their own priorities with no margin to be able to reprioritise for play. Since the previous assessment the Local Authority Assets (fixed play equipment sites), and sports facilities are now on the Asset Transfer list for take over by the Town and Community Councils.

Groundwork Wales has delivered Sustainable Play, funded by Welsh Government’s Children and Families Delivery Grant in communities of Carmarthenshire during 2015. More support has been agreed for 2016 for Groundwork Wales.

Annual Play Sufficiency Welsh Government slippage funding (Play Opportunities Grant) has been received in January, 2013/2014, 2015 have enabled us to fund the following:

Amount of grant allocated	£ 79,004.00
Total amount of grant claimed	£79,004.00
Spend on increasing play opportunities under this award as set out by target/objective under proposal of use form:	
Target/objective 1	
Meidrim Park:	£19,211.00
Installation of freestanding slide	
Supply and lay Safagrass	
368 children under 18 yrs old live	

<p>within the Trelech Ward Llansteffan Inclusive Free Access Playground: 1xKompan DDA Supernova Roundabout 1xDDA Compliant access footpath into playground & connecting footpaths between play equipment and new DDA compliant access gate 264 children under 14 years old live in the Llansteffan Ward. Burry Port activities and enhancements: 1x Sensory Giraffe The playground is accessed by over 300 children and young people</p>	
<p>Target/objective 2 Blades Participation Day The young people attending were looked after by the Local Authority (LAC) and live in foster placement. Some placements are in very rural areas of the county. The young people have additional needs such as ADHD, low level mental health needs, and need 1:1 support. The two activities chosen for the day will allow the young people to take risks and challenge</p>	<p>£525.00</p>

<p>thus developing self esteem, support and team building. The participation session following the activities will involve the young people planning their timetable for the coming year. 20 young people aged 11-16</p>	
<p>Target/objective 3 Routine Inspectors Training for communities and a seminar on playground maintenance: Teen Zone and Kidz Zone clubs for children and young people with additional needs: Session delivery by Jugglestruck (Circus Skills). 30 children/ young people National Standards Cycle Training and ‘Dr Bike’ Cycle Maintenance Sessions Provided children with the skills required to undertake journeys on roads which encourage independent travel to play spaces. National Standards Cycle Training – 85 children - Dr Bike sessions 320 children Games Galore Training Clybiau Plant Cymru Kids Club to deliver bilingual Games Galore</p>	<p>£20,922.08</p>

workshops across 10 disadvantaged after school clubs across

160 direct beneficiaries.

Community Play – Llandybie

Open Access Play and Youth sessions during February half term offering a wide range of activities. 10 sessions of 4-16 children and young people.

Rural Play

Working with cluster schools offering play opportunities during lunch breaks to encourage more outdoor play for primary and secondary school pupils within the Taf, Tywi and Teifi Community Network areas.

Over 200 children and young people within rural areas of Carmarthenshire

St Clears Community Holiday Club

Bilingual Holiday Activity Club for 7-11 year olds ran in partnership with Menter Iaith Gorllewin Sir Gar, Urdd and Carmarthenshire County Council within the Taf Community Network area.

Cynllun Chwarae Cadog

The children within the club will be encouraged to play within the

<p>sessions and develop various skills to transfer to their free time.</p> <p>Delivery of Purple Routes sessions within 13 After School Clubs</p> <p>These clubs have previously received one session each from Purple Routes however a follow up support session is needed in order to consolidate the training and implement change within the delivery of play at the clubs</p> <p>200 children aged 5-11 years</p> <p>'Blue Dragonz' Peer mentoring Group</p> <p>Peer mentors and their young people meet on a weekly basis. The space within which they meet needs to be a vibrant and age appropriate play space designed to spark the imagination, promote non competitive interaction, facilitate outdoor play.</p> <p>13 mentees (10 – 25 years old).</p>	
<p>Target/objective 4</p> <p>Active Story time</p> <p>To provide Active Story Time session resources within accessible venues/settings across the county to develop the physical literacy of children. Each setting received training on the delivery of Active</p>	<p>£23,345.92</p>

Story Time and upon completion of the training the settings receive equipment and resources to deliver the sessions on an ongoing basis.

10 children per session between the ages of 0-7 years old.

1 session per week at 3 libraries, 3 Menter Iaith locations, 2 Communities first locations, 12 Family Centres, 3 Flying Start Settings and 3 Language and Play Settings.

After school club and holiday provision at Glanymor/Tysha Communities First Areas

Outside providers to deliver play sessions within the clubs during February Half Term

Afterschool club at Glanymor/Tyisha, Furnace and Bryn

Outside providers to deliver play sessions within the clubs during February Half Term

Cylch Meithrin Sancler

Pre school Welsh language nursery to enhance the opportunities for children to play through the medium of Welsh.

20 children aged between 2.5

and 4 years within a rural area of the county.

Teen Zone/Kidz Club Let's Grow Gardening Project

To provide an opportunity for messy play for children and young people with additional needs through gardening.

30 children and young people aged 8-18 years old

Teen Zone/Kidz Club

2 Go Karts for use by disabled children and young people to support inclusion with activities and to help develop fine motor skills and muscle strength.

Teen Zone/Kidz Club

Secure storage container for the resources for the clubs as they share space with mainstream clubs within the Integrated Children Centre

Dragon Bus

The mobile play bus visits very rural and disadvantaged areas throughout the county on a 9 month cycle and targets approximately 61 families with 81 children. The bus works with children from birth upwards and requires new resources to improve

the play environment for the children.

Smoke free Playgrounds

The smoke free playgrounds campaign will be introduced across all primary schools within Carmarthenshire through a specially developed lesson plan produced by the Play Sufficiency Officer. A competition will be launched within the schools to design a poster highlighting the importance of smoke free areas for children and the dangers of passive smoking. The winning school and child will receive a prize that will encourage play (den building kits and sessions) Number of children benefiting will be county wide.

Playful Walks Booklet

The Play Sufficiency Officer has worked in partnership with Public Health Wales to encourage families to become more active through walking and playing thus also contributing to the obesity prevention agenda.

Booklet Production: 4000 copies for

Cil y Cwm Youth Club

Cil y Cwm is a newly developed Youth Club. The children and young people living within the area have identified a need for an youth club and have been consulted with in relation to the resources/equipment they require Between 15 and 20 young people aged 10 – 15 years old.

Penygaer Primary school

Play Pod and paint for the school yard to provide a rich play environment to the children within the school.

The school also receive sessions from Purple Routes Play Providers to promote play opportunities during lunch breaks.

All children within the school will benefit from this service and resource.

Johnstown Primary School

Provision of an outdoor waterproof canopy to allow children to access the outdoor adventure play environment in all weathers. This promotes the health benefits of play through utilising the outdoor environment innovatively.

All attendees at the After School and Johnstown Holiday Care Club – Capacity 48, which includes 4/5 children with additional needs. And the children within the school (410)	
Target/objective 5 Carmarthenshire Integrated Children's Centres The centres are located within areas of high deprivation in relation to poverty and the families and children accessing the centres required a great deal of support and provision of safe and rich play environments for the children.	£15,000.00
Total spend	£79,0004.00

2014/2015

Amount of grant allocated	£94, 814.00
Spend on Securing Play Opportunities under this award as set out by target/objective under proposal of use form:	
Target/objective 1 - Purchase of publications from Play Wales	4747.00
Target/objective 2 - Roll out of 'Active Story time'	13,140.26

sessions in rural communities	
Target/objective 3 - Purchase of equipment to expand Bronze young ambassador play project	3055.69
Target/objective 4 - Training to promote challenging and stimulating play opportunities (CPCKC) – Mini Playworkers Toolbelt training for 12 learners	2190.00
Target/objective 5 - Purchase of resources/equipment for 3 Integrated Children’s Centres	21,548.45
Target/objective 6 - Purchase of resources/equipment for 13 family centres	25,659.38
Target/objective 7 - Purchase of equipment/resources for 10 registered after school and holiday clubs	18,097.23
Target/objective 8 - Purchase and installation of smoke free signage	1782.94
Target /Objective 9 - Purchase of 16 Busy Feet Explorers Toolkits and 1 bilingual training session for up to 40 attendees	1630.00
Target/Objective 10 - Funding to deliver 3 play days	2000.00
Target/Objective 11 - Purchase of sensory and play equipment for cafe facility at Llanelli Leisure Centre	1083.50
Total spend	94,935.45

Out of School Childcare Grant has enabled us to fund the following:

2015/2016

<p>3. Childcare Sufficiency - Menter Summer Play schemes shortfall</p> <p>To provide 'shortfall' funding to Menter groups to run Llangennech and Llandovery Summer Play Schemes in order to ensure that the schemes do not run at a loss, and to subsidise the cost to parents per day in order to ensure that cost is affordable.</p> <p>Llangennech Play Scheme registered for 24 children</p> <p>Llandovery Play Scheme registered for 18 children</p> <p><i>(This objective is linked to Recommendation 21 in Section 1 of our CSA (2014-17) / CSA Action Plan (2015-16))</i></p>	<p>£2,000</p>	<p>Up to 42 families able to access affordable holiday care in the above areas over the Summer holidays.</p>
<p>4. Childcare Sufficiency - Play schemes activity grants</p> <p>To provide small grants to registered settings to enable them to purchase age appropriate resources to ensure high quality provision that meets the needs of the children in attendance.</p> <p>Aim to support up to 25 Play schemes.</p> <p><i>(This objective is linked to Recommendation 21 in Section 1 of our CSA (2014-17) / CSA Action Plan (2015-16))</i></p>	<p>£2,500</p>	<p>Up to 25 Play Schemes able to offer varied age appropriate activities during summer holidays.</p> <p>If Play schemes offer varied activities/experiences the children are more likely to be engaged and want to continue to attend, thus making the schemes more financially sustainable.</p>

<p>6. Childcare Sufficiency - Dinefwr Play Scheme for children with disabilities</p> <p>To part fund the above scheme which offers up to 22 children bespoke activities for three weeks of the Summer holidays. This Scheme is specifically run for children who do not attend mainstream education and have profound disabilities. Staffing ratios within this scheme are high due to the nature of the children's disabilities.</p> <p><i>This objective is linked to Recommendations 21 in Section 1 of our CSA (2014-17) / CSA Action Plan (2015-16)</i></p>	<p>£5,000</p>	<p>Up to 22 profoundly disabled children and their families will benefit from bespoke out of school holiday activities.</p>
<p>12. Play Sufficiency – Outdoor Play Days (Forest Schools, Brechfa) Children with Disabilities/Additional Needs</p> <p>To provide funding to enable Children and Young People with additional needs who attend Kidz Club and Teen Zone to visit Forest School in Brechfa. The children and young people will have opportunities for adventurous outdoor play sessions over two sites in an appropriately managed and safe context. The children will be able to choose from a variety of activities, including small hand tool use, fire skills, shelter building, woodland crafts, learning about woodland species and they will have the opportunity to play freely and imaginatively in the woods and on the ropes and nets provided.</p> <p>Up to 40 children/young people will benefit from these experiences/opportunities.</p> <p><i>(This objective is linked to Recommendation 1 and Outcome 1.6: in PSA Action Plan (2015-16)</i></p>	<p>£1,500</p>	<p>Up to 40 Children and Young People with additional needs who attend Kidz Club and Teen Zone able to access varied outdoor play opportunities.</p>
<p>13. Play Sufficiency – Planning , coordination and delivery</p>	<p>£13,044</p>	<p>Up to 130 children able to access and</p>

<p>of Open Access Play sessions within Morfa and Felinfoel Integrated Children’s Centres</p> <p>To fund part time /fixed term sessional Play Workers (employed and managed by Carmarthenshire County Council) to plan, coordinate and deliver Open Access Play sessions within Morfa and Felinfoel Children’s Centres. These are two of our most deprived areas within Carmarthenshire with significant numbers of children attending these sessions. 1 open access play session to be planned, coordinated and delivered per week in each of the two centres for 50 weeks of the year.</p> <p>100 Open access play sessions</p> <p>The decision to bring this post in house will enable us to provide additional sessions and provide continuity for children , families and staff at the centres. Last financial year £10,558 was utilised funding Purple Routes to deliver one session per week in two centres but for a six month period only. Sessional staff will be provided /funded by the two Children’s Centres (costs met in full by Carmarthenshire County Council) in order to ensure that there is a satisfactory child/adult ratio in order to provide high quality OAP provision.</p> <p>Up to 130 children and their families will benefit from these sessions across the two centres.</p> <p><i>(This objective is linked to Recommendation 4 and Outcome 4.1: in PSA Action Plan (2015-16)</i></p>		<p>benefit from open access play opportunities in Morfa and Felinfoel.</p> <p>Total of 100 open access play sessions delivered across the two centres during 2015-16.</p>
--	--	---

2016/2017 (Subject to WG approval)

<p>3. Childcare Sufficiency - Menter Summer Play schemes shortfall funding to enable parents living in areas of rurality/greatest deprivation to access affordable holiday childcare</p> <p>To provide 'shortfall' funding to Menter groups to run Llandovery Summer Play Schemes and one play scheme in the Aman area of the County in order to ensure that the schemes do not run at a loss, and to subsidise the cost to parents per day in order to ensure that cost is affordable.</p> <p>Llandovery Play Scheme registered for 18 children</p> <p>Aman Play Scheme registered for 18 children</p> <p><i>(This objective is linked to Recommendation 30 in Section 1 of our CSA (2014-17))</i></p>	<p>£1,768.50</p>	<p>Up to 36 families able to access affordable holiday care in the above areas over the Summer holidays.</p>
<p>4. Childcare Sufficiency - Play schemes activity grants</p> <p>To provide small grants to registered settings to enable them to purchase age appropriate resources to ensure high quality provision that meets the needs of the children in attendance.</p> <p>Aim to support up to 25 Play schemes.</p> <p><i>(This objective is linked to Recommendation 21 in Section 1 of our CSA (2014-17) / CSA Action Plan (2015-16))</i></p>	<p>£2,000</p>	<p>Up to 25 Play Schemes able to offer varied age appropriate activities during summer holidays.</p> <p>If Play schemes offer varied activities/experiences the children are more likely to be engaged and want to continue to attend, thus making the schemes more financially sustainable.</p>

<p>6. Childcare Sufficiency - Dinefwr Play Scheme for children with disabilities</p> <p>To part fund the above scheme which offers up to 22 children bespoke activities for three weeks of the Summer holidays. This Scheme is specifically run for children who do not attend mainstream education and have profound disabilities. Staffing ratios within this scheme are high due to the nature of the children's disabilities.</p> <p><i>This objective is linked to Recommendations 21 in Section 1 of our CSA (2014-17)</i></p>	<p>£5,000</p>	<p>Up to 22 profoundly disabled children and their families will benefit from bespoke out of school holiday activities.</p>
<p>9. Play Sufficiency – Planning , coordination and delivery of Open Access Play sessions within Morfa and Felinfoel Integrated Children's Centres</p> <p>To fund part time /fixed term sessional Play Workers (employed and managed by Carmarthenshire County Council) to plan, coordinate and deliver Open Access Play sessions within Morfa and Felinfoel Children's Centres. These are two of our most deprived areas within Carmarthenshire with significant numbers of children attending these sessions. 1 open access play session to be planned, coordinated and delivered per week in each of the two centres for 50 weeks of the year.</p> <p>100 Open access play sessions to be delivered during 2016-17</p> <p>Up to 130 children and their families will benefit from these sessions across the two centres.</p> <p><i>(This objective is linked to Recommendation 4 and Outcome 4.1: in PSA Action Plan (2015-16)</i></p>	<p>£15,000</p>	<p>Up to 130 children able to access and benefit from open access play opportunities in Morfa and Felinfoel.</p> <p>Total of 100 open access play sessions delivered across the two centres during 2016-17.</p>

<p>10.Childcare and Play Sufficiency – Workforce Development Training opportunities</p> <p>From April 2016, the age range of registration of childcare in Wales will be extended from 8 years to 12 years, requiring more settings to register with CSSIW. There will be changes to the National Minimum Standards (NMS) for Regulated Child Care and the introduction of a new inspection framework.</p> <p>To comply with NMS, staff working within out of school childcare clubs need recognised qualifications appropriate to their post. A new Skills Active List of Required Qualifications to work within the Play work Sector in Wales (March 2015), lists specific Play work qualifications required for out of school childcare, holiday play schemes and others. http://www.skillsactive.com/country/wales/list-of-required-qualifications-for-wales-playwork</p> <p>Funding is required to support appropriate continuing professional development training opportunities for the local childcare and play workforce in Carmarthenshire. We will use the findings of our most recent CSA and second PSA to identify staff which will require training in order to meet National Minimum Standards. An up to date qualifications and training needs Audit is currently being undertaken as part of the second PSA. Data is not yet available. This will be complete in draft by 31.03.16 Some existing staff may need to complete for example the Managing a Holiday Play scheme (CPCKC) unit, others may need to complete the transitional module from Early Years in to play work if they are working in an after school play club.</p> <p>Unable to set specific targets until data from PSA has been analysed. The results of this will determine what training is</p>	<p>£5,000</p>	<p>Training needs of local childcare and play workforce able to be met in order to comply with National Minimum standards.</p> <p>Some settings are at risk of closure if funding is not available to support these staff to undertake necessary training. This will directly impact on the availability of childcare and play provision within the county.</p>
---	----------------------	---

<p>required and how many places are required.</p> <p>In the near future HMRC will be rolling out Tax Free Childcare – only clubs registered with CSSIW will be able to sign up to offer the scheme to their working parents.</p> <p>Clubs in Carmarthenshire may need to consider moving to become a registered provider if they are currently unregistered, as there is the possibility that parents will move to another registered provider able to offer the initiative, because it will make childcare cheaper for them. We may therefore need to run a number of CSSIW courses delivered by CPCKC to assist groups with the requirements of the registration process.</p> <p><u>Please note we are aware of ‘Progress for Success’. This new Programme is a work based learning up skilling programme and will not cover the costs of what is being proposed above.</u></p> <p><i>This objective is linked to Recommendation 34 and 43 in Section 1 of our CSA (2014-17)</i></p>		
---	--	--

Families First:

Families First have previously funded open access play sessions at the Integrated Children’s Centres at Felinfoel and Morfa and also the Play Sufficiency Officer Post. However, Families First no longer funds Open Access Play Sessions or this post. As a result of Families First being unwilling to fund play, the Childcare Revenue Support Grant funds the full time Play Sufficiency Officer post and the Out Of School Childcare Grant supports play delivery sessions.

The Play Sufficiency Assessment and the Single Integrated Plan

This section should identify how the Play Sufficiency Assessments form part of the local needs assessment and to what extent the Play Sufficiency Assessment and Action Plan are integrated into the planning, implementation and review of the Single Integrated Plan.

The Play Sufficiency Assessment is fully integrated into the local needs assessment and Single Integrated Plan in Carmarthenshire. The evidence gathered and analysis undertaken as part of the Play Sufficiency Assessments process will be used to inform the broader needs assessment currently being undertaken and due to be published by no later than May 2017. The Play Sufficiency Assessment will continue to inform future revisions. As part of the requirements of the new Well-being of Future Generations (Wales) Act the findings of the broader needs assessment will inform the development of the new Carmarthenshire Well-being Plan which is due to be developed by no later than May 2018. This work is fed through the Children & Young Peoples Partnership and links to the Carmarthenshire Local Service Board (which is due to be replaced by the new Carmarthenshire Public Services Board and supporting structure from April 2016 onwards).

The current Integrated Community Strategy for Carmarthenshire 2011-16 (the Carmarthenshire version of the Single Integrated Plan) has been developed and implemented with full engagement of the Children & Young Peoples Partnership. The Partnership leads on a number of the goals identified in the Strategy. This arrangement will continue with the LSB taking the overall lead on the Single Integrated Plan.

Monitoring Play Sufficiency

This section should identify the lead director and lead member for children and young people's services. It should also describe the Play Monitoring Group or equivalent. Along with a list of members, please describe how the group has been facilitated and the benefits and challenges of the group.

Lead Director: Robert Sully, Director of Education

Lead Member: Cllr Gareth Jones

Play Sufficiency Stakeholder Group was set up in 2012 as a result of the Play Sufficiency Duty. The group usually meets on a termly basis and monitors the progress of the yearly Play Sufficiency Assessment Action Plan. The Group met on a monthly basis from September 2015 – March 2016 in order to complete the second Play Sufficiency Assessment. The Play Sufficiency Officer is responsible for chairing the meetings and comprehensive minutes are circulated to all members along with a detailed agenda prior to each meeting. The benefits of such a group meeting is the ability to gain various perspectives and to understand the way in which each department and organisation works, their priorities and any new developments that take place are shared. Unfortunately, the challenges faced within the group are officers being able to dedicate time to attend meetings related to play sufficiency additional to their increasing workloads as a result of re structure and diminishing teams. It is also extremely difficult and frustrating to continue to monitor an Action Plan on a yearly basis when there is the absence of any regular funding to address the longer term actions.

DRAFT

Criteria

This section contains the “matters that need to be taken into account” as set out under section 10 of the Statutory Guidance.

The Criteria column: sets out the data that needs to be available and the extent to which Local Authorities meet the stated criteria.

The RAG status column: provides a drop down box, whereby the Local Authority can show its assessment of whether that criterion is fully met; partially met; or not met. These have been given Red, Amber Green markers, which appear as words in the drop down boxes.

Red, Amber Green (RAG) status is a tool to communicate status quickly and effectively.

RAG status

Criteria fully met.	Fully met
Criteria partially met.	Partially met
Criteria not met.	Not met

The Evidence to support strengths column: should be used to provide the reason for the chosen criteria status and how the evidence is held.

The Shortfall column: should be used to explain the areas in which the Local Authority does not fully meet the criteria.

The Identified Action for Action Plan column: Should be used to show the Local Authority action planning priorities for that Matter.

The General Comments: for each matter should give a clear overview of how the Local Authority complies with the intention and implementation of this matter as set out fully in the Statutory Guidance.

The template should be monitored by the officer who is co-ordinating the Assessment and reviewed on a regular basis by the Play Sufficiency Working Group.

Matter A: Population

The Play Sufficiency Assessment should present data about the number of children living in the Local Authority to enable an assessment of their potential play requirements. The data should provide information about the numbers of children in different categories that may affect their play requirements. The data should also show if the area is classified as one of disadvantage/deprivation and whether a 5 year population projection is available.

Disability

It is possible to collect and collate information on children with disabilities from PLASC data. At present the available data is based on the 2016 cohort. The below tables do not specify areas, however this information is available upon request.

Number of Pupils in Carmarthenshire Schools with Statements - PLASC 2016

School_ID	School Type	Pupil's Age Ranges						Total
		0-3	4-7	8-12	13-15	16-17	18+	
	Primary Schools	4	120	180	0	0	0	304
	Secondary Schools	0	0	174	267	45	10	496
	Special Schools	1	13	39	42	8	17	110
Total number of pupils with Statements		5	133	393	309	53	17	910

Number of Pupils in Carmarthenshire Schools with Physical and Medical Difficulties - PLASC 2016

School_ID	School Type	Pupil's Age Ranges						Total
		0-3	4-7	8-12	13-15	16-17	18+	
	Primary Schools	18	105	74	0	0	0	197
	Secondary Schools	0	0	53	80	11	0	144
	Special Schools	0	1	1	0	0	0	2
Number of Pupils with Physical and Medical Difficulties		18	106	128	80	11	0	343

Welsh Language

PLASC 2016 provides data related to the number of children for whom Welsh is their first language and attend a Welsh medium school.

School Type	Taught Welsh as a 1st Language
Number of children for whom Welsh is their first language or attend a Welsh Language school	13,637

Cultural Factors

PLASC 2016 provides data related to the number of children with another language and gypsy traveller children.

Description	British Gypsy / Gypsy Roma	Gypsy / Gypsy Roma	Other Gypsy / Gypsy Roma	Other Traveller	Traveller	Traveller of Irish Heritage	Total
Number of Gypsy Traveller children	42	15	2	2	12	37	110

Description	British	Welsh	English	Irish	Scottish	Other	Not Obtained	Total
Nationality of Pupils	8825	15735	1340	52	34	977	146	27,109

All of the above population data is and will be considered when any new play provision is planned. It is possible to plot the above demographic information onto maps in order to evaluate accurately where provision is needed in relation to highest population.

ACTIONS TO TAKE FORWARD:

- Continue to use the Census information to inform the location of future play opportunities.
- Access PLASC data on a yearly basis to ensure that demographic details are up to date.
- When the development of new provision related to children and young people with disabilities is planned, ensure that the most up to date demographic information is used

Matter B: Providing for Diverse Needs

The Play Sufficiency Assessment should present data about how the Local Authority and partners aim to offer play opportunities that are inclusive and encourage all children to play and meet together.

General Comments: Providing for Diverse Needs
 How has data been used (or how will the data be used) to address the barriers that children with diverse needs face in accessing inclusive opportunities for playing?

In comparison to the previous assessment many criteria have had not change in relation to their RAG status. Although the previous

assessment has provided a platform from which more efficient and effective partnership working has developed, in particular in relation to children with disabilities, no substantial progress has been made in developing play opportunities that provide for diverse needs due to the lack of funding allocated to developing play provision within the years following the initial assessment. When funding has been made available, it has been on a very short timescale and therefore only enabling support to existing provision. In order to develop new provision to address the needs of these children and young people with diverse needs related to language, disability, culture or sexuality long term funding is required in order to ensure sustainability.

Rurality

It was acknowledged within the previous Play Sufficiency Assessment that the play requirements of children and young people living in isolated and rural areas of the county were not adequately met. As a result of the Play Sufficiency Assessment support has been given to the very rural area of Cil y Cwm to set up a youth club for the local children and young people. The youth club received funding from Play Sufficiency grants for resources and play delivery sessions.

The rural areas of Llanegwad and Mynyddygarreg have received advice and guidance on how to set up play / youth provision and consultations within the community have taken place in relation to ascertaining level of need and community ability to provide the play opportunities. Unfortunately members of the community are not prepared to take on the responsibility of developing as a community group in order to access funding for play development.

Menter Iaith Gorllewin Sir Gar is a Welsh language organisation covering the most rural areas of Carmarthenshire. The Menter puts on various events for pre school, primary age and secondary children on a regular basis in order to help address their play and / or hanging out opportunities.

The Young Farmers Club are a rural youth organisation dedicated to young people. It is led by young people for young people aged 10-26 years old. There are Young Farmers Clubs operating across the county.

Groundworks Wales has delivered open access play sessions within identified rural communities one of which being Parc Puw, Drefach Felindre. This is a large rural village with a local Cylch Meithrin and Primary School and hardly any access to play provision other than a fixed play equipment park.

The 13 Family Centres within the county have been developed to address issues related to deprivation and rurality. Two of these Family Centres are based at Pencader and Llanybydder which are classified as rural areas.

Unfortunately since the previous assessment the mobile play bus provision and Mobi youth bus have been lost due to funding cuts. These resources were addressing the play needs of the children and youth living within the most rural areas of the county.

Some of the children reported that they had to travel distances to access a fixed play area and various play or recreational activities. The village of New Inn was highlighted as an area with no provision that is rural and also Rhandirmwyn in the north of the County. However, the consultation questionnaire was not clear enough in specifying whether children lived in rural areas or not as only postcodes were requested. A more specific questionnaire related to rurality is need in order to ascertain the full play needs of the children living within these areas. Two of the Focus Group consultations with children took place in the villages of Pencader and Llandeilo, however the children living here reported positively with regards to the play opportunities available to them.

Language and culture

The Mentrau Iaith organisations operate across the county and offer various opportunities for children and young people to participate in leisure and recreational activities through the medium of Welsh. However, Mentrau Iaith do not offer Open Access play provision for children and young people as most of their activities take place within organised after school or holiday clubs.

Groundworks Wales offer bilingual open access play sessions within 3 areas of Carmarthenshire (Parc Puw, Drefach Felindre; Felinfoel, Llanelli and Maengwynne, Llanelli.

The Open Access Play sessions delivered by Groundworks Wales at Maengwynne Llanelli were accessible to the gypsy traveller community.

Urdd Gobaith Cymru provides the opportunity through the medium of Welsh for children and young people in Wales to develop personal and social skills. It also gives children the opportunity to socialise and access play and leisure opportunities through the medium of Welsh. The Urdd operates within Carmarthenshire and offers activities ranging from activities, trips and the Eisteddfod.

Several of the parents stated that there was a need for more provision through the medium of Welsh for the children and young people. In particular the sporting clubs accessed were mostly run through the medium of English.

Children and young people with disabilities

There are three clubs running within Carmarthenshire for children and young people with disabilities . These clubs are located within

the Llwynhendy Children's Centre and Dr Mz in Carmarthen town. Children and young people access these clubs through being transported by their parents/carers and pay a minimal fee to cover rental costs and running costs. The two clubs running from the Llwynhendy centre are oversubscribed and therefore it has been identified that a club is needed within the Ammanford area, which would free space within the Llanelli clubs.

There are some children and young people attending these clubs who could attend mainstream provision, however at present the mainstream clubs are not equipped with the knowledge and understanding of these additional needs to enable full inclusion and integration. This issue could be addressed through staff training and raising awareness amongst the children/young people of the mainstream clubs. However, there isn't much mainstream provision currently available across the county.

Parents and workers have stated that there is a deficit of fixed play equipment areas suitable for children with disabilities. And also, where there are playgrounds there are no facilities to cater for the children's needs i.e changing areas, toilets

Gypsy Travellers/Young Carers / LGBT/

The play needs of young carers and LGBT are not understood at present as no consultation responses were received from these groups, however, this will be followed up within the Action Plan for 2016/2017.

The Local Authority Gypsy Traveller site was visited by the Play Sufficiency Officer as part of the Play Sufficiency Assessment consultation process. Residents meetings are held every Tuesday afternoon with the Local Authority Housing Officers leading the meetings. Unfortunately only one resident attended the meeting, however she provided a valuable insight into the problems the residents face on a daily basis at the site. She reported that the fixed play area poses problems as the young people tend to hang out there and therefore the younger children keep away. She also reported that there were issues related to accessing play opportunities outside of the site due to lack of transport and people's negative perceptions of the gypsy traveller community. A residents meeting takes place every Tuesday (organised by the Housing Officer) with a purpose of discussing the needs of the residents, and providing support in becoming a constituted group in order to access funding streams such as Awards for All. The group also has input from Communities First who will provide taster sessions in hairdressing, flower arranging and some play sessions for the children. A strong message that was highlighted during discussions with the parent during the consultation was that they had no interest in participating in any course that were related to any qualification.

The Travelling Ahead project supports young Gypsies, Roma and Travellers to have a voice and therefore forums have been developed across Wales. Some young people from Carmarthenshire who are supported through the Education Service have attended the regional and national forums and two young women from Llanelli are on the Advisory Group. There is a South West regional forum event planned for after Easter 2016 where the Play Sufficiency Officer will be able to attend and consult with the young people

ACTIONS TO TAKE FORWARD:

- Continue to support rural communities in developing play provision and in being able to access grants to become sustainable.
- Youth Club provision north and south west of the county needs to be considered.
- Mentoring Scheme or Buddy System within mainstream play provision / youth clubs to enable participation
- Support the development of a new club within the Ammanford area through funding applications and consider the club when any play sufficiency grants are allocated by Welsh Government.
- Support Mencap Cymru in developing fixed play areas for disabled children and young people within the county
- Continue to support the Dinefwr Playscheme via the Out of School Childcare Grant 2016/2017
- Continue to offer inclusion training as part of the termly training programme and investigate the availability of training related to attitudes and acceptance for staff and children/young people within play and youth club settings.
- More support from Groundwork Wales in 2016 in delivering Open Access Play sessions within the county - consider the demographic information from Matter A when choosing locations for delivery.
- Introduce the access audits as detailed within the toolkit to play providers across the county in a staggered approach
- Continue to consult with the Housing Officers and residents of the Gypsy Traveller site to identify the play needs of the children and young people and resolve the problems relating to the shared play space.
- Continue to liaise with the co-ordinators of the young cares and adult young cares groups to ascertain the play needs of these children and young people.
- Continue to liaise with the co-ordinators of the LGBT youth group for Carmarthenshire to ascertain their play needs

Matter C: Space available for children to play: Open Spaces and Outdoor unstaffed designated play spaces

The Local Authority should recognise that all open spaces within their area are potentially important areas where children can play or pass through to reach other play areas or places where they go.

General Comments: Open Spaces

How has the Local Authority ensured collaboration between Open Space Assessments (OSAs) and Play Sufficiency Assessments to improve spaces for play?

The Greenspace Assessment was conducted across Carmarthenshire in 2009 with the aim of identifying greenspaces and public spaces in Carmarthenshire and to assess the level of provision compared with the recommended standards for greenspace and play space. The results of the assessment can be used as a planning tool to identify gaps in provision and ensure open spaces are preserved for the

future. The assessment:

- Assesses the level of provision of accessible natural greenspace
- Assesses the level of provision of play space
- Assesses the level of provision of public open space including amenity greenspace, parks and gardens, and water bodies.

Major settlements were assessed for amenity greenspace, natural and semi natural space, play space and water bodies.

Unfortunately the greenspace assessment does not state whether these spaces are quality environments for play, 'hanging out' , in relation to being free from unacceptable harm, whether they are interesting and varied and there is no stipulation as to whether or not there is intention to make changes to these open spaces to ensure that they are accessible to children and enrich their play opportunities.

A Green Space Assessment was conducted by Carmarthenshire County Council in 2009. This assessment was based on 2001 Census data. Although the green spaces have been assessed in relation to being accessible there is nothing detailing whether the spaces are used by children for playing. The assessment also focuses on green space that is more than 0.5 hectares, however children usually play on much smaller pockets of land and on streets outside of their homes or lanes behind their houses.

The Local Development Plan was adopted by full council on 10th December 2014. Supplementary Planning Guidance (SPG) has been produced to elaborate and consolidate upon the provisions of the LDP in relation to Open Space and New Developments. Draft SPG was published for consultation in February 2016 with a view to adopting it as policy in due course. The Play Sufficiency Officer has worked alongside the Forward Planning Team in the production of this guidance. The Draft SPG is available here:

<http://ilocal.carmarthenshire.gov.uk/consultations/supplementary-planning-guidance-spg/>

Planning obligations are required towards the provision of open space in respect of developments of 5 or more dwellings. When housing developments are planned the developer is required to contribute via Section 106 agreements to various community facilities and services, with these largely comprising open space, play, recreation and leisure provision. Within Carmarthenshire, contributions related to the Section 106 for open space, play, leisure and recreation is allocated to the parks and Leisure sections who then identify what the local need is related to play and the money is spent accordingly. However, some funds remain unspent and unallocated and therefore there may be potential for this unspent allocation to be spent on play development that is not necessarily fixed play equipment, open space, leisure or recreation provision.

ACTIONS TO TAKE FORWARD:

- Update the Greenspace Assessment

- Review the focus of the Greenspace Assessment to include Greenspace that is less than 0.5 hectare and thus giving a more accurate picture of the space available for children to play.
- Internal liaison to ensure ongoing compatibility with planning policy at a local and national level.
- Requirement to consider position in terms of reviewing and updating the Greenspace Study – suggest that liaison be undertaken with County Council's Leisure Division.
- Liaise with Rachel Bowen (Contributions Officer) with regards to Section 106 allocations and the potential to use unallocated money for developing play spaces/provision within the specific development areas.
- Liaise with local members within specific areas where there is unallocated section 106 funding and propose a programme of work to address the play needs of the children and young people living within those specific areas.
- Contact the Local Member for Llwynhendy and develop a proposal of play development utilising the unallocated £5k from Section 106 funding. Work in partnership with the local community, Integrated Children Centre Manager and potentially the local school at Llwynhendy. Use this as a good practice example to encourage other Town and Community Councils to follow similar methods. Any proposals to be sent to the Contributions Officer and Head of Planning for approval

Other Comments on Outdoor unstaffed designated play spaces

Up to date register

I Local plots on a map of Carmarthenshire the location of fixed play areas, skateparks, beaches, parks, open spaces, tennis courts and paddling pools. The Local Authority Parks Department has a comprehensive list of the locations of MUGAs, skateparks and shelters owned by the Local Authority.

Play Space Assessments

At present a Play Space Assessment tool as detailed within the toolkit is not currently being used within Carmarthenshire. At present, the future ownership of the play spaces is under review. Expressions of Interest from communities for taking over ownership of assets are due in by 31st March 2016. As soon as the Assets have been transferred and ownership agreed, there is potential for communities to be supported in maintaining their plays paces, and therefore as part of this support, play space assessments should be included.

Smokefree Playgrounds: All Local Authority owned playgrounds at present have had smokefree playgrounds signs installed. However, the consultation responses from children and parents is that adults smoking within playspaces and smoking related litter remains to be a problem within fixed play equipment sites. Therefore, more work needs to be done in promoting the smokefree initiative within

Carmarthenshire potentially in partnership with Healthy Schools and Hywel Dda Public Health team.

Access Audits

Access audits are completed in relation to spaces being DDA compliant, however the detail of the Access Audits within the toolkit is not applied within Carmarthenshire.

No Ball Games sign / Play Priority signs

The Local Authority has removed all signs related to No Ball Games, however due to budget cuts and lack of funding there are no Play Priority Signs. However, the Housing Department remains to use No Ball Games signage to address issues within their housing estates. More work needs to be done between the housing officers and Play Sufficiency Officer to address the issues related to children's play within housing estates.

ACTIONS TO TAKE FORWARD:

- To ensure that the lists of fixed play provision are kept up to date on a regular basis to ensure that Local is kept up to date.
- Explore the potential of applying the Play Space Assessment tool as a way of assessing play spaces for their full play value.
- Ensure continued liaison with the Contributions Officer to ensure that children's play needs and access to play spaces is considered fully when decisions are made with relation to the 'Community Infrastructure Levy and Section 106 Agreements'.
- Action Plan developed to identify sites which are not in compliance in order that a programme of appropriate modifying work can be commenced.
- Explore the potential of applying the Play Space Assessment tool as a way of assessing play spaces for their full play value.
- Continue to promote the smokefree playgrounds initiative and the Hari, Heti and the Healthy Heart resource and further publicise the introduction of smokefree playgrounds across Carmarthenshire
- Work in partnership with the Housing Department Officer in reducing and eradicating the use of No Ball Games Signs and replace with Play Priority signage
- Play Sufficiency Officer to be involved in the consultation process in the event of assets being disposed of by the Local Authority

Matter D: Supervised provision

The Local Authority should aim to offer a range of supervised play provision.

There is no known youth club provision in very rural areas of the county.</p>	
--	---------------------	---------------------	---	---	--

General Comments: **Supervised play provision**

Where the Local Authority has assessed settings as part of the Childcare Sufficiency Assessments (CSAs), how have these settings been assessed in respect of the quality of play opportunities they provide and offer?

How has provision that is not part of the CSA been assessed in respect of the quality of play opportunities they provide and offer?

At present the Quality Assessment Tool (Tool 11 within the Toolkit) has not been used within either settings assessed as part of the Childcare Sufficiency Assessment or other settings outside of the remit of the Childcare Sufficiency Assessment. However, this is a shortfall that is acknowledged as being extremely beneficial and essential to the sufficiency of quality play opportunities for children and young people. Therefore, this will be acknowledged as a priority area for work within the Childcare and Play Sufficiency Action Plans

for 2016/2017. Furthermore, there is no Quality Assurance initiative in place within Carmarthenshire for settings to work towards and therefore in the event of a national initiative being developed, Carmarthenshire County Council will engage fully with such an initiative.

Open Access Play Sessions at Morfa, Felinfoel and Llwynhendy Integrated Children's Centres

Llwynhendy OAP – Tuesday – 5:30-7:00pm – Ages 7-11 – no parents

Morfa OAP – Wednesday – 3:00-4:30pm – Ages 4-11 – 4-6 year olds have to be accompanied by parent

Felinfoel OAP – Thursday – 3:00-4:30pm – Ages 4-11 – 4-6 year olds have to be accompanied by parent

Sessions are planned termly as a team. Skills Active Guidelines as well as Play Wales guidelines are followed and the following elements are part of the planning of activities : self-directed play in a public space, risk-play, play with children of all ages so that they get the opportunity to play alone or with others, the natural world and elements, loose parts, role play, rough and tumble play and. There is always an activity outdoors even if the weather is poor so that the children have a choice of what they would like to do.

Within the Morfa and Felinfoel centers, the sessions take place immediately after School therefore a snack is provided to the children whether it is something made for them or part of an activity which they can make their own food. Parents enjoy this element of the session also as they take leadership in this and like to get involved and cook with their children. Therefore, the sessions are both teaching the children and the parents and helps build on their relationships with each other through a fun and relaxed environment. These sessions are a good way of gaining an understanding of how the parents are coping and therefore, introducing the parents to other courses that the centre may be running at that time including Parenting Courses and Language and Play groups. In addition, a Support Worker attends the sessions so that if the parents have any worries or concerns then they can speak to them and the Support Worker can try to help them. For example, a mother was recently having housing issues and under threat of eviction, the Support Worker phoned Council Housing and was able to communicate for the mother and solved the problem for her. Therefore the Open Access Play groups are helpful not only for the children but for the parents and family as a whole.

Each quarter attendance figures are increasing and staff have established a very good relationship with the neighbouring Schools resulting in more referrals.

CYCA are a registered children's charity that operates throughout the county of Carmarthenshire. They specialise in providing emotional health and wellbeing support for children, young people and families through a range of projects and services, all with the ultimate aim of improving the lives of people throughout the county.

Play Sufficiency Assessment Toolkit – Part 2

As well as specialist wellbeing services, they also run a variety of play clubs through After School and Holiday sessions, as well as operate 3 Flying Start Nurseries.

1) After School Club: Children aged 3-11years old

Venue	Days and Times	Costings
Dewi Sant Play Centre	Tuesdays and Thursday's 3-5.30pm	£4.50 per session

ACTIONS TO TAKE FORWARD:

- Ensure the application of the Playwork Principles (Tool 10 within the toolkit) and Quality Assessment Tool (Tool 11 within the toolkit) are used within the Local Authority supervised play provision. Job Descriptions and Person Specifications to include reference to Quality Assurance and the Playwork principles.
- Ensure that the above tools are used on a regular basis to ensure that the quality of the provision is consistent.
- Support playschemes in utilising the Playschemes activity grant (Out of School Childcare Grant 2016/2017) to plan for quality play provision.
- Continue to fund the Open Access Play sessions running from the Integrated Children’s Centre (via the Out of School Childcare Grant 2016/2017)
- Work in partnership with the Childminder Development Officer and the Childcare Development Officer in introducing tools 9 and 10 of the toolkit to supervised settings to ensure high quality rich play environments. These Quality Assessment tools should be used as a means of assessing for quality within the Childcare Sufficiency Assessments.
- Continue to distribute the Playful Walks booklets as a means of providing varying play experiences for children whilst also addressing physical activity levels in children.
- Continue to distribute the Playful Walks booklets as a means of providing varying play experiences for children whilst also addressing physical activity levels in children.

- To engage with any National initiative to address issues related to quality of play provision.

Structured Recreational activities for children

Actif Story Time

Funding was allocated via the Play Sufficiency Grant for 2014/2015 & 2015/2016 to develop fundamental skills in young children in settings such as in family centres, preschool and libraries. Funding included training, Play 2 Learn resource pack and equipment such as spots, parachute, fluff balls, bean bags.

The settings were encouraged to run weekly sessions and they have adopted Active Story time into their settings

Sessions have taken place in:

- Carmarthenshire main libraries Carmarthen, Llanelli, Ammanford
- Family centres x 8
- Pre School Settings x 15
- Additional partners Twf, Language and Play, Menter

The Sports Plan for Carmarthenshire makes clear links with the Play Sufficiency Assessment and Action Plan in providing play opportunities for children and their families.

ACTIONS TO TAKE FORWARD:

- To widen the type of organisations that request funding through the LAPA.

Matter E: Charges for play provision

The Local Authority should consider which play opportunities involve a charge and the extent to which the Local Authority takes these charges into account in assessing for sufficient play opportunities for children living in low income families as set out in the Statutory Guidance.

			have discounted fares.		

General Comments: Charge for play provision

How is the Local Authority ensuring that children have access to no or low cost provision?

When play opportunities are planned the demographic information of the county is considered along with deprivation levels related to financial deprivation and access to services deprivation and location of play provision is planned accordingly. When National Play Day events are organised by the Local Authority the location of the events will be decided related to the aforementioned factors. All Play Day events are at no cost to the children, young people and their families.

The **Open Access Play sessions** delivered within the Integrated Children’s Centres are free of charge and therefore the children and families within these areas have access to no cost provision and data shows that many families living in poverty / deprivation are living within the catchment areas of the centres. At present this is the only Local Authority Open Access Play provision that is delivered, and is delivered with no cost to the users.

Llwynhendy OAP – Tuesday – 5:30-7:00pm – Ages 7-11 – no parents

Morfa OAP – Wednesday – 3:00-4:30pm – Ages 4-11 – 4-6 year olds have to be accompanied by parent

Felinfoel OAP – Thursday – 3:00-4:30pm – Ages 4-11 – 4-6 year olds have to be accompanied by parent

Groundworks Wales offers play sessions within the rural area of Drefach Velindre at no cost to the children and families. They also deliver within the deprived areas of Maengwynne (Llanelli) and Felinfoel (Llanelli). These sessions are delivered free of charge and the locations are decided upon in relation to rurality and poverty.

Purple Routes: There are no regular weekly Open Access Play delivery within Carmarthenshire due to a lack of funding and the Local Authority not commissioning work to outside agencies.

- **Gorllewin Sir Gar**

Menter Iaith Gorllewin Sir Gar encourages and supports community, linguistic and economic development for public benefit and creates sustainable communities that are naturally bilingual and prosperous. They operate in an area that extends from Llanybydder to Newcastle Emlyn, to Carmarthen, St Clears and Whitland.

- Encourage more families to use the Welsh Language
- Get more young people to communicate through the medium of Welsh
- Encourage more people to use the Welsh Language in the community

Community development projects to:

- Introduce the latest technologies and computer equipment to local residents through purposeful demonstrations by integrating the older generation and nervous, less experienced individuals, into the modern world of communication
- Assist communities to implement projects that plug the gaps and have access to services and social inclusion in the rural areas of Carmarthenshire
- Increase the frequency of arts and cultural events and to improve the capacity of community groups to implement successful and sustainable events through the medium of Welsh in the rural areas of Carmarthenshire.

Play sessions are delivered for primary school aged children free of charge at Llanfihangel ar Arth (rural area) on Saturdays.

The **Family Centres** operating across the county are located within deprived areas and offer their services for free, this type of provision is for

preschool children and their families.

Other provision both rural and within areas of deprivation will incur a cost for families (albeit there are concessions) such as activities within Leisure Centres, clubs such as, scouts, and any sporting / recreational activities. Children are able to access free swimming on allocated days during school holidays.

Unfortunately, within the current economic climate it is extremely difficult to provide no cost provision, however, there are concessions available to families.

ACTIONS TO TAKE FORWARD:

- Continue to refer to the demographic information related to deprivation, rurality and disability when any new provision is planned across Carmarthenshire
- Investigate the possibility of recording in more detail the cost of provision and ensure that information related to cost of premises and cost of provision is requested.
- Ensure that Julia Harries (Assistant Information Officer) is updated via the Family Information Service and / the Play Sufficiency Officer of any Play and/or recreational activities within the county that are not already included on I Local.
- Continue to support communities in accessing funding streams and signposting to services such as CAVS for information regarding available grants. Provide letters of support and advice and guidance to communities expressing an interest in setting up play provision within their areas.
- Out of School Childcare Grant to fund Menter Iaith Summer Playschemes for shortfall incurred in providing low cost provision
- Out of School Childcare Grant to fund OAP session at the ICC's to enable no cost provision for the children and their families
- Support Groundworks Wales in identifying areas for delivery of no cost open Access Play provision (based on rurality and economic deprivation)

Matter F: Access to space/provision

The Local Authority should consider all the factors that contribute to children’s access to play or moving around their community.

DRAFT

General Comments: Access to space/provision

How has the Local Authority ensured collaboration to ensure children can move around their communities to increase access to opportunities for playing?

The Local Authority Transport and Engineering Department hold an up to date record of the 20mph/ school safety zones within the county. Currently, the Local Authority use Stat 19 DATA to assess the impact of initiatives, however the analysis of the statistics does not focus on the impact on children and young people specifically. However, these monitoring systems are being reviewed and it is intended that more consideration is to be given to children's play opportunities and the road safety issues related to accessing the provision. The Play Sufficiency Officer needs to ensure that up to date mapping of provision is available to the Transport and Engineering Department in order to facilitate the development of the monitoring systems.

The Transport and Engineering Department relies on receiving information from communities when there are issues relating to busy roads etc. Historically, during consultations with children, young people, parents/carers and communities the issue of busy roads and road safety has been highlighted and therefore any consultations responses related to these issues need to be communicated to the relevant officer within the Transport and Engineering Department in order for remedial action to be planned and actioned.

The Welsh Government will again be supporting various schemes and initiatives through the Local Transport Fund, Road Safety and Safe Routes in Communities Grant to local authorities in 2016-17.

All schemes receiving funding have to contribute to the achievement of the targets contained in the Road Safety Framework for Wales by 2020 against the 2004-8 baseline as follows:

- A 40% reduction in the number of people killed or seriously injured;
- A 25% reduction in the number of motorcyclists killed and seriously injured;
- A 40% reduction in the number of young people (aged16-24) killed and seriously injured.

Carmarthenshire County Council have applied for funding for 6 initiatives, including the four priority areas i.e. Pass Plus Cymru, Motorcyclist Safety Initiatives Programmes, Kerbcraft and National Standards Cycle Training.

The two additional revenue funding bids for the Welsh Governments' Road Safety Grant are required to be supported by appropriate evidence and specific plans for evaluation, therefore we are no longer able bid and fund the Children's Traffic Club and the Gari Gosafe Gang initiatives due to a lack of available evidence and evaluation in achieving the targets set out in the above mentioned Framework.

The following initiatives are offered to schools across Carmarthenshire:

The Junior Road Safety Officers Scheme involves empowering children to highlight and promote road safety issues within their school. This is done through raising awareness among other pupils, teachers and the local community, while maintaining strong links with the Road Safety Unit.

Every school taking part is encouraged to elect two Junior Road Safety Officers from Year 6.

The Junior Road Safety Officers have four key areas of responsibility:

- putting up and maintaining a prominent notice board.
- running school competitions.
- giving class or assembly presentations on road safety topics.
- promoting road safety campaigns such as Walking to School and Conspicuity etc.

It is important that someone in the school supports the Junior Road Safety Officers on a regular basis, be it a class teacher, classroom assistant or parent. The Road Safety Officer will visit the helper and Junior Road Safety Officers a number of times during the school year.

The Kerbcraft scheme has been designed to teach children aged 5 to 7 how to be safer pedestrians.

The practical road-side training is undertaken by trained parent volunteers under the watchful eyes of a Child Pedestrian Training Coordinator. The training programme focuses on a set of clearly defined pedestrian skills:-

Choosing Safe Places and Routes to Cross the Road – Children are helped to recognise dangers and hazards and identify alternative crossing places.

Crossing Safely Between Parked Cars – Children are taught how to use a safe strategy for crossing by parked cars – when avoiding them is impossible.

Crossing Safely near Junctions – Children are introduced to the problems of simple and complex junctions, and taught a strategy for looking systematically in all directions.

Training is progressive and each phase building on the foundation laid by earlier phases which prepares children for future safety on the road.

Funded by the Welsh Government, the 'Kerbcraft' scheme supports the council's aims of improving child road safety.

The road safety unit offers cycle training schemes to all primary schools in the county.

At primary school level the training takes place either in the playground or, if suitable conditions exist on a road near the school.

Whilst on the training course the children are taught general road safety skills, and they become more aware of what is going on around them.

This will be the child's first road vehicle, and correct habits and attitudes created at this stage could set the standard for all future riding and driving.

At the end of the course the children should be able to:

- Understand the differences between riding and playing on a bike.
- Ride their bicycle under full control, when looking behind, manoeuvring, starting, stopping and signalling.
- Know how to identify faults on their bike that affect their safety, and understand the need for the bike to be well maintained.
- Understand the dangers involved in riding on the road, and how to cope with road and traffic situations.
- Recognise potential hazards and to take action to avoid them.
- Understand the benefits of lights, reflectors, high-visibility clothing and helmets.

The more comprehensive National Standards training course is offered to quite a number of schools that meet the criteria as set, and funded, by the Welsh Government.

Education in schools: A team of road safety professionals visit pre-school groups, primary and secondary schools and also colleges within the county to:

- Provide resource material for teachers.
- Encourage and assist schools to include road safety in their curriculum work.
- Talk directly to children and parents about particular aspects of road safety.
- Help and advise schools to include road safety matters in school policy documents.
- Help to resolve road safety problems relating to the school site.
- Promote local and national campaigns.

The consultations with children, young people and parents/carers have highlighted that one of the most common barriers to accessing play opportunities is road safety and transport. Parents feel that there is a need for more traffic calming measures to limit the speed of road traffic and safer places to cross roads. Children also feel that they are unable to access play opportunities safely. Young people stated that transport for arriving at play/leisure opportunities was an issue for them.

ACTIONS TO TAKE FORWARD:

- Maintain an up to date record of the number of 20 mph zones/school safety zones in residential areas list to reflect Carmarthenshire
- At present the department is reviewing the monitoring system currently used and are exploring the potential development of a monitoring team. When the new systems have been developed consideration is to be given to the impact of speed reduction and road

safety measures on children's access to play opportunities.

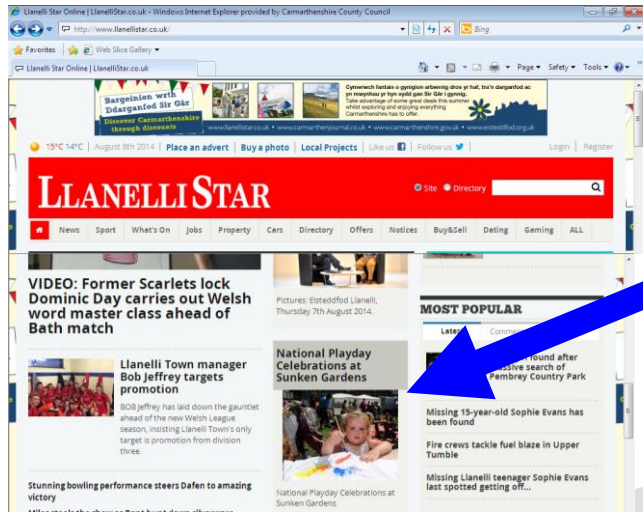

- Road Safety and Transport departments to have access to the mapping of various play provision across the county in order to facilitate the monitoring process
- Play Sufficiency Officers to ensure that any issues relating to traffic prohibiting children from accessing play opportunities within their communities is communicated to Traffic Management Section.
- Continue to provide initiatives that support access to play opportunities and ensure that children's access to play is considered when delivering plans related to access
- Traffic Management Section to have access to up to date information with regards to the location of play opportunities across the county.
- Ensure that the Traffic Management Section has access to consultation responses that highlight road safety as a barrier to accessing play opportunities
- Investigate the barriers to road closures further
- Liaise with Swansea City Council for feedback on their road closure initiatives
- Investigate the 'Kids in the Streets' initiative in Edinburgh funded via Children in Need.
- Continue to use Manual for Streets in the planning of new developments within the county.
- When information is received with regards to a child pedestrian road accident casualty consideration to be given to the location of the accident and whether the child was 'playing' or accessing play when the accident occurred in order to implement positive change at the site of an accident and thus reducing future risks of child accidents.
- Knowledge of the available play opportunities within Carmarthenshire for children and young people in order to be able to assess the impact of providing or reducing bus services within an area.
- Closer partnership working with the Play Sufficiency Officers in relation to consultations with children and young people with regards to transport barriers in accessing play opportunities.

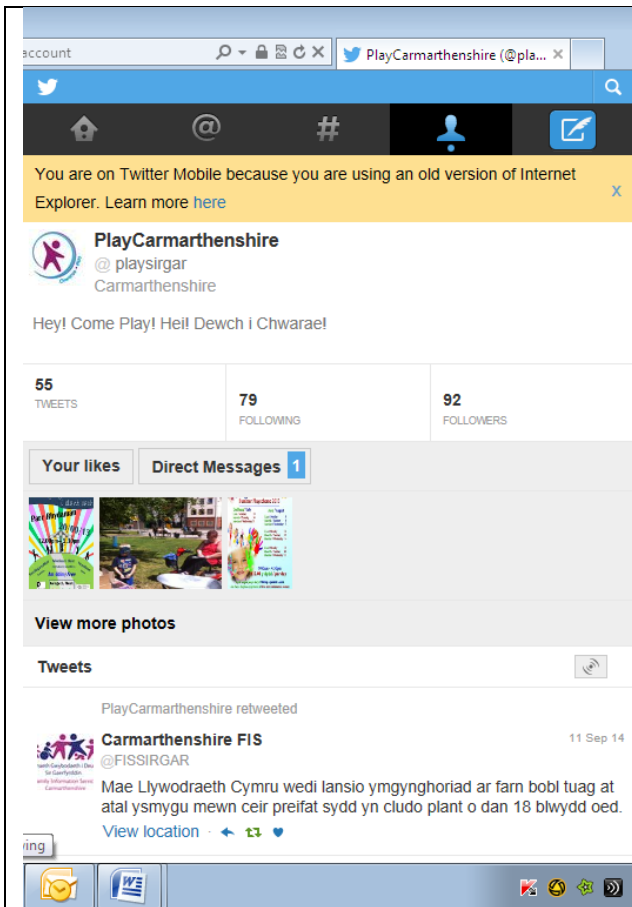

General Comments

Information, publicity, events

How has the Local Authority positively used information to support access to play provision?

The Local Authority ensures that all events are publicised as widely as possible to ensure that families are aware of what is going on across the county. A variety of avenues are used to publicise the information such as Twitter, Facebook, the FIS website, Carmarthenshire Youth Council website and press releases.

The Family Information Service website has a clearly defined play section on the website.

The image displays two browser windows side-by-side, showing the Carmarthenshire Family Information Service website in both English and Welsh. The left window is the English version, and the right window is the Welsh version.

English Version (Left Window):

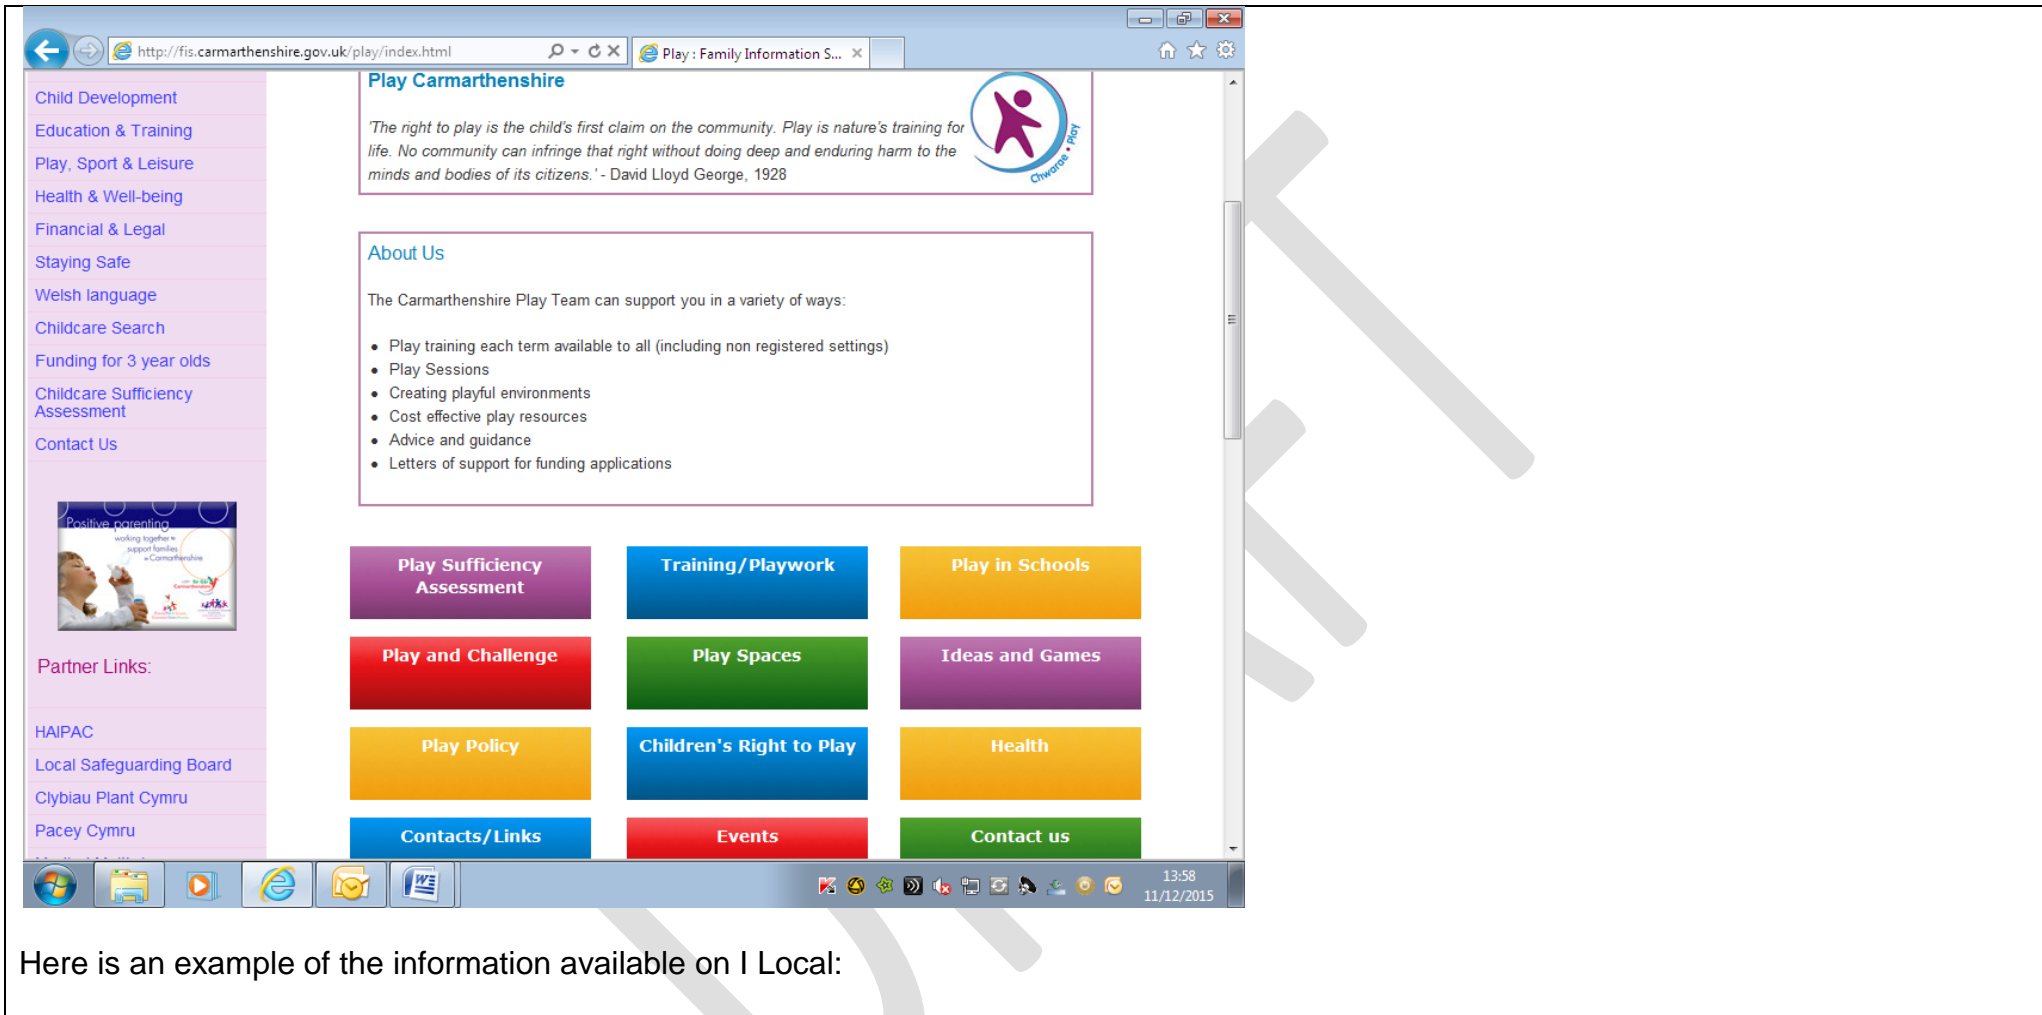

- URL:** http://fis.carmarthenshire.gov.uk/eng/intro_e.htm
- Page Title:** Carmarthenshire Family Information Service
- Header:** Welcome to Carmarthenshire Family Information Service and Online Directory
- Text:** We all need a helping hand sometimes. Some family questions you can answer yourself. For all others take a look at our one-stop-website which offers a complete range of information for families. Whether you are a parent/carer, child, young person or a professional working with families in Carmarthenshire there is a information about the range of services and activities just for you.
- Navigation Menu:** Home, About Us, Childcare Search, Family Support Services, Child Development, Schools & Education, Play, Sport & Leisure, Health & Well-being, Money Matters, Staying Safe, Welsh language, Youth Zone, Additional Needs/Disability, Contact Us, Latest Consultations.
- Service Tiles:** Family Information, Childcare and Play; Team Around the Family (TAF); Families First; Flying Start; Integrated Children's Centre; Communities First.

Welsh Version (Right Window):

- URL:** http://fis.carmarthenshire.gov.uk/eng/info_childcare_play_e.htm
- Page Title:** Family Information Service
- Header:** Welcome to Carmarthenshire Family Information, Childcare and Play
- Text:** Carmarthenshire Family Information, Childcare and Play wants children in Carmarthenshire to be safe, happy and healthy; to grow up to fully reach their potential and become confident, caring members of society who value diversity in all it's aspects. Carmarthenshire Family Information, Childcare and Play understands that services must be in place across Carmarthenshire to ensure that the health, education and social needs of children are met, however, specific services will also be necessary to target those in greatest need, thereby ensuring all children have the best possible start in life.
- Navigation Menu:** Home, About Us, Childcare Search, Family Support Services, Child Development, Schools & Education, Play, Sport & Leisure, Health & Well-being, Money Matters, Staying Safe, Welsh language, Youth Zone, Additional Needs/Disability, Contact Us, Latest Consultations.
- Service Tiles:** Funding for three year olds; Childcare Sufficiency Assessment; Play Carmarthenshire; Professionals; Language and Play; Childcare.

 - Primary School Catchment Areas
 - Welsh Primary School Catchment Areas
 - Church School Catchment Areas
 - Secondary School Catchment Areas
 - Welsh Secondary School Catchment Areas
 - Saint John Lloyd Catholic Comprehensive School Catchment Area
 - Youth Clubs

Map Labels: Carmarthenshire, Llandovery, Llangadog, Llandeilo, Brynamman, Ammanford, Kidwelly, Llanelli, Pendine, St Clears, Cynwyl Elfed, Newcastle Emlyn, Pumsaint, Afon Tywi, A40, A48, A474, A476, A483, A484, A485, A482, A4069, A4067, A4066, M4, R Loughor, Carmarthen Bay, NEA, POB, T, NEA.

Map Features: The map shows a network of roads (A40, A48, A474, A476, A483, A484, A485, A482, A4069, A4067, A4066) and the M4 motorway. It also displays the Afon Tywi river and Carmarthen Bay. Catchment areas are shown as colored polygons: red for Primary School, green for Welsh Primary School, blue for Church School, purple for Welsh Secondary School, and orange for Saint John Lloyd Catholic Comprehensive School. Youth clubs are marked with red dots. A search bar is located at the top of the sidebar.

ACTIONS TO TAKE FORWARD:

- Ensure that the websites are updated on a regular basis with new information, ideas.
- Ensure that Assistant Information Officer is updated via the Family Information Service and / the Play Sufficiency Officer of any Play and/or recreational activities within the county that are not already included on I Local.
- Continue to use avenues such as social media (Twitter and Facebook) to advertise and promote play.
- Continue to engage the media when events take place related to play.
- Produce a timetable for the year (April to March) for updating the play section of the FIS Website with monthly themes and helpful hints and tips for parents/carers
- Promote play opportunities at planned events by partner agencies to promote children's rights to play and the importance of play to children and young people

Matter G: Securing and developing the play workforce

The Local Authority should provide information on the organisational structure of the policy area which manages the play agenda and the play workforce.

This training is available to volunteers, community groups and parents. Play to Learn / Active Storytime sessions available to parents and carers within the county to increase physical activity and literacy through playing.		

General Comments Securing and developing the play workforce

How has the Local Authority met the requirement to undertake or secure the managerial and delivery functions necessary to achieve sufficient play opportunities?

How has the Local Authority ensured it understands and provides for the workforce development needs of the play workforce (as defined in *Wales: A Play Friendly Country*)?

How has the Local Authority ensured it understands and provides the playwork workforce (as defined in *Wales: A Play Friendly Country*)?

At present the Local Authority Family Information Service, Childcare and Play Team have ring fenced a budget for a termly training programmes. The training programme includes the statutory training such as First Aid, Food Hygiene etc for registered childcare and play settings. Minimum of two play trainings are included as part of the training programme for registered and non registered settings. Each term there will be one Introduction for Play unaccredited and either Level 1 accredited Play training or Level 2 accredited Play Training. Unfortunately there are limited spaces on these courses.

In light of the new standards for registered settings there will potentially be a need within the county to upskill the early years, childcare and play workforce. A scoping exercise will provide an indication of the existing qualification levels of the workforce and an estimate of the numbers needing to be up skilled via transitional qualifications.

ACTIONS TO TAKE FORWARD:

- Annual workforce scoping exercise completed to keep an up to date register of information related to the play workforce.
 - Funding will be required required to provide transitional qualification from Early Years to Playwork for playworkers
 - Family Information, Childcare and Play Team to offer minimum of 2 play related training each term as part of the Training Programme
 - Carmarthenshire is 1/14 Local Authorities across Wales able to access funding from the new Progress for Success 6.3 million upskilling programme led by DfES. Uncertain at present as to which qualifications will be eligible for funding and whether age restrictions will apply.

Matter H: Community engagement and participation.

The Local Authority should consult widely with children, their families and other stakeholders on their views on play provision. It should also promote wide community engagement in providing play friendly communities.

--	--	--	---	--	--------------------

General Comments Community engagement and participation.

How has the Local Authority effectively used existing mechanisms for children’s participation and family consultation processes with regards to play?

Various groups across the county consult with children, young people and families. Children are consulted with via school councils, Open Access Play sessions, Family Centres, Youth provision. Parents and Carers are consulted with via schools, Family Centres (Llais rhieni), Snap Surveys online

Consultations with parents for the purposes of this assessment have shown that many parents have a genuine and very real fear of strangers and paedophiles and these fears are prohibiting parents from allowing their children the freedom to play independently without adult supervision. Furthermore, some parents have stated that they fear taking their children to local parks as they are scared that 'strangers' or 'paedophiles' are watching their children. Therefore, work needs to be done with parents/carers within the community in order to educate them in how to keep their children safe without impinging on their rights to play and freedom.

ACTIONS TO TAKE FORWARD:

- Continue to engage with children, young people, families and communities
- To engage further with parents and carers in addressing the fear they have in relation to stranger danger within Carmarthenshire.
- Distribute the Community Toolkit: Developing and Managing Play Spaces to identified areas within the County

Matter I: Play within all relevant policy and implementation agendas

The Local Authority should examine all its policy agendas for their potential impact on children’s opportunities to play and embed targets and action to enhance children’s play opportunities within all such policies and strategies.

General Comments: Play within relevant policy and implementation agendas

Please use this section to highlight successes of collaboration across policy areas to improve play opportunities.

The Play Sufficiency Stakeholder Group was developed in acknowledgement of the importance of cross departmental partnership working when assessing and securing children’s play opportunities. As a result of the initial Play Sufficiency Assessment partnership working has improved greatly and links are now being seen between differing policy areas and play sufficiency. Although there is an acknowledgment of the importance of play within these policy areas, it is extremely difficult and more often than not impossible to re align existing budgets across policy and agendas for the purpose of securing sufficient play opportunities as identified through the Play Sufficiency Assessment.

Over the past three years the partnership working between the Forward Planning Department and the Corporate Property Department has improved greatly with representatives from both departments within the Play Sufficiency Stakeholder Group. The Play Sufficiency Officer now attends the Asset Transfer meetings and the Forward Planning Officer and Play Sufficiency Officer liaise on a regular basis with matters related to new planning guidelines and the effects on children’s opportunities to play.

Furthermore, partnership working with Hywel Dda Public Health Team has developed and initiatives such as Playful Walks Booklets and Smokefree Playgrounds have developed as a result. Furthermore, one of the ten steps to a healthy weight is playing outside everyday.

The Healthy School Co-ordinator attends the Play Sufficiency Group Meetings. The Play Sufficiency Officer and the Healthy Schools Co-ordinator have worked collaboratively on issues related to passive smoking and obesity prevention. Further work needs to be planned now in order to address some of the consultation findings from the school survey, namely training for lunchtime supervisors and opening school grounds out of teaching hours, and potentially the introduction of play policies within each school.

ACTIONS TO TAKE FORWARD:

Education and schools

- Circulate Use of School Grounds for playing out of teaching Hours to all schools across Carmarthenshire
- Training for lunchtime supervisors
- Resources for lunchtime supervisors i.e loose parts, play pods
- Play Policy to be introduced to schools in partnership with Healthy Schools and Leisure Departments Bronze Young Ambassadors

Town and Country Planning

- Requirement to consider position in terms of reviewing and updating the Greenspace Study – suggest that liaison be undertaken with County Council's Leisure Division.

Traffic and Transport

- Continue to work in partnership in order to address issues related to road safety and play opportunities.

Health and Wellbeing

- When the ICS is reviewed post 2016 children's right to play needs to be included as a means of addressing issues related to health and wellbeing.
- Continue to work in partnership with Hywel Dda Public Health Team to ensure that play contributes to the obesity agenda and any other initiatives that impacts on children's play both positively and negatively.
- Continue to support the smoke free / passive smoking campaign and promote the Playful Walks booklets across the county.

Child Poverty

- When the ICS is reviewed post 2016 children's right to play needs to be included as a means to tackling the negative effects of poverty.

Early Years/Childcare

- Training offered to LAP facilitators. A framework model outlining key activities has been produced, with a standard format; welcome song, rhymes, story, messy play and craft activity for children.
- Further training to be organised
- Ensure that future Childcare Sufficiency Assessments have considered fully the quality of the play opportunities offered within the childcare settings.

Family policy and initiatives

- Ensure that staff working within the family support initiatives have access to the play training programme available via the Family Information, Childcare and Play Team.

- Ensure that Family Support Initiatives have access to a range of play materials for use with the families they are supporting.

Inter-generational policy and initiatives

- To consider intergenerational work and a plan of action to complete intergenerational work

Community Development

- Ensure that future revisions of the Integrated Community Strategy have clear links between community development and play

Community Safety

- When the ICS is reviewed post 2016 children's right to play needs to be included as a means to tackling the negative effects of poverty.

Health and Safety

- Research the availability of Risk Benefit Guidance to be introduced to settings (to include schools)

Conclusion

This section should identify the key priorities for the Local Authorities in accordance with the regulations and described in the Statutory Guidance.

The Play Sufficiency Assessment 2016 has highlighted many good practice examples of how children's play opportunities are being addressed across the county. Within each of the Matters, the Local Authority and partner organisations are striving to meet the criteria and are aware of the importance of these criteria in meeting the play needs of the children.

The main barrier to addressing the play needs of children and young people is the absence of any allocated funding stream to support Play Sufficiency. Where departments are providing play opportunities, it is through very limited financial capacity and are struggling to maintain the existing provision let alone developing new play opportunities. The assessment has highlighted many priorities to take forward for 2016/2017 to address the play needs of children and young people, these priorities are detailed within the Action Plan 2016/2017.

The consultation results have shown common barriers for children/young people; parents and carers. These barriers have been detailed within the Action Plan:

Smoking and smoking related litter
Road Safety/Transport
Dog fouling
Fear of strangers / paedophiles

At present, due to budget cuts and financial constraints, the main priority at present will be to maintain existing provision provided by the Local Authority and to support communities in taking over responsibility for their play opportunities. Furthermore, in light of play opportunities diminishing within communities there are other facilities within the community, namely school grounds that have the potential to address children's play needs. The majority of the school consultation responses stated that they did not allow access to school grounds outside of teaching hours. Therefore, this is an area that needs to be further investigated with school representatives.

Therefore, the Play Sufficiency Assessment for 2016 has provided a platform from which evidence is available for the development of new play opportunities and the protection of existing opportunities.

Way forward

This section should briefly introduce the Action Plan which sets out what steps need to be taken to improve the opportunities for children to play within the Local Authority area, including what mechanism and criteria were used to agree and prioritise actions. It should also describe the actions the Local Authority will take with regards to change in infrastructure, partnership working or mechanisms to ensure that it is well placed to deliver on the duty to secure sufficient play opportunities.

The Play Sufficiency Action Plan 2016/2017 has been developed based on the 'Identified Actions for the Action Plan' section of the assessment form. These actions were identified by the members of the Play Sufficiency Stakeholder Group and the final Action Plan was agreed by members of the group and through the political processes of the Local Authority.

In terms of funding for addressing the actions, partners need to work collaboratively in accessing funding for play and play related initiatives. Work has commenced on this via the financial contributions to play and leisure through Section 106 agreements. There is also opportunity to work closer with schools and communities in addressing play opportunities through low cost/no cost processes.

The Play Sufficiency Stakeholder Group will continue to meet on a termly basis to monitor the progress of the Action Plan. The Actions will be updated based on the progress made.
