**EXECUTIVE SUMMARY
STANDARDS COMMITTEE
21/11/22**

DISPENSATIONS GUIDANCE

During the meeting of the committee in June 2022 dispensation requests were considered in relation to

- Farming and Agricultural matters generally
- The provision of social care services in Carmarthenshire and across the South West Wales Region

Committee members have asked for further guidance in relation to such dispensation requests given how wide ranging they can be in nature, scope, and effect.

The Standards Committees (Grant of Dispensations) (Wales) Regulations 2001 offer no guidance on this issue, merely setting out the grounds upon which a dispensation may be granted.

Guidance issued by the Public Services Ombudsman for Wales on the members code of conduct states at paragraph 3.64

“The Standards Committee will need to balance the public interest in preventing members with prejudicial interests from taking part in decisions, against the public interest in decisions being taken by a reasonably representative group of members of the authority”
