On which of the following grounds do you believe that a dispensation should be granted in this case? Please tick the appropriate box(es).

• at least half of the members considering the business has an interest	<input type="checkbox"/>
• my inability to participate would upset the political balance of the meeting to such an extent that the outcome would be likely to be affected;	<input type="checkbox"/>
• my participation would not damage public confidence	<input type="checkbox"/>
• the interest is common to me and a significant proportion of the general public;	<input checked="" type="checkbox"/>
• my participation in the business is justified by my particular role or expertise;	<input type="checkbox"/>
• the business is to be considered by an overview and scrutiny committee and my interest is not a pecuniary interest;	<input type="checkbox"/>
• the business relates to the finances or property of a voluntary organisation of whose management committee or board I am a member and I have no other interest	<input type="checkbox"/>

4. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please set out below the reasons why you consider that the Standards Committee should grant a dispensation in this case:

(Please note that failure to complete this section will result in the application form being returned to you)

The road surface is appalling, there are no traffic calming measures - despite the primary school - and there are a list of hazards that can be witnessed on a daily basis, particularly at pick up/drop off times.

Ultimately, any representation I would make on this matter is to safeguard the community, particularly children and their families. I am more than willing to obtain letters of support to prove this is a community-led request and not anything for my personal benefit.

Ultimately, members should live in the areas they represent. I just happen to live near the primary school.

Didch,

Mr. Alexander Cross

(please continue on a separate sheet if necessary)

I confirm that the information provided on this form is true to the best of my knowledge. I agree that this application and all the information contained within it may form part of a public report to the Standards Committee. I request a dispensation in respect of the above matter.
