1st Year's progress report on the Corporate Strategy 2015-20 (Including our Summary Annual Report (2015/16) and Improvement Plan (2016/17))

- When we published the Corporate Strategy 2015-20 we promised to conduct an annual progress report and we set out a set 24 Outcome measures to judge our progress against
- By law we also have to publish a summary and full ARIP
- It makes sense to combine the Corporate Strategy progress and summary ARIP into one document to avoid duplication and align plans and reports
- In the recent WAO Annual Improvement Report they found the combination of a short summary and a full version – gave all the information needed.

Full Annual Report (2015/16) and Improvement Plan (2016/17) – (ARIP)

- By law we have to publish an Annual Report and an Improvement Plan – we combine the both in a single document in Carmarthenshire and this is seen as good practice by our regulators.
- On 20th April, we consulted with elected members on the Key Improvement Objective Priorities that are incorporated into this document
- WAO Corporate Assessment Proposals for Improvement are incorporated into the document.
