HOUSEHOLD SUPPORT FUND

1. BRIEF SUMMARY OF PURPOSE OF REPORT.

The Authority has received funding via the Welsh Government Household Support to support people facing food poverty.

The Authority was initially allocated £27,865 in January 2022 of which we allocated £19,838 to foodbanks as approved by Cabinet Member on the 26/01/2022.

Subsequently we received an additional budget of £55,729 in April 2022 to be utilised during the financial year 22/23 of which £22,600 has been allocated to local foodbanks. Balance of funds available £41,156. In addition, Cabinet approved on the 3rd October an additional budget of £50,000 via Welsh Government's Discretionary Cost of living Scheme to enhance the household support fund.

In total, there is an available budget of £91,156. It was agreed by Cabinet Member on the 27th October that the Household Support Fund would be made available to local foodbanks that are helping to tackle food poverty within the county. Support would be made available for the purchase of additional supplies of good quality food and essential goods via Castell Howell Foods by the Council on behalf of the foodbanks.

In order to identify demand, foodbanks were contacted in October 2022 and invited to submit an application, setting out support required over a four-month period from the middle of November 2022 until the middle of March 2023. In total, the following 16 Foodbanks were contacted and invited to submit applications for funding:

- Salvation Army
- Xcel Foodbank
- Llandysul Foodbank
- Newcastle Emlyn Foodbank
- Tyisha Foodbank
- CETMA
- Antioch Centre
- Llwynhendy Foodbank
- Myrtle House Foodbank
- Ammanford Foodbank
- Cwmamman Pantry

- Llandeilo Foodbank (Bocs Bwyd)
- Llandovery Foodbank
- Whitland Foodbank
- Trimsaran Foodbank
- Llannon/Tumble Foodbank

1 new foodbank contacted us directly. Subsequently, we received applications for financial support from 8 foodbanks.

The applications received were assessed by the Bureau's grants panel, taking into consideration the number of people that they are currently supporting, future numbers, along with how they plan to target the most in need. When assessing we considered each application based on the monetary value requested, divided by the numbers of individuals supported over a four month period, subsequently this exercise identified an average cost per head that was used as a comparison when determining the maximum grant awarded. These ranged from £3.50 per head to £10 per head which is due to varying reasons such as access to donations and support from other sources. Given that support is required swiftly, we have relied on the detail provided by the foodbank in terms of numbers of people accessing the foodbank and the level of resource that they need to support existing demand. The Authority will enter into an agreement with the respective foodbanks which we shall be monitoring.

Based on the assessment undertaken, it is recommended that funding is awarded to the following foodbanks to the value of £65,300 (total amount) in respect of **8 individual applications**:

- 1) Cwmamman Pantry £7,000
- 2) Myrtle House £15,000
- 3) Christ Church £4,000
- 4) Antioch Christian Centre £2,800
- 5) Llwynhendy Foodbank £15,000
- 6) Tyisha Foodbank £12,000
- 7) Llannon/Tumble Foodbank £6,000
- 8) CETMA £3,500

If the aforementioned applications are approved, a total of £25,856 remains uncommitted. As agreed by Cabinet Member on the 27th October, it is proposed that this amount is vired into the County's wider Poverty Fund.

2. OTHER OPTIONS AVAILABLE AND THEIR PROS AND CONS

There are no other options. The funding has been allocated to Carmarthenshire to support an increased number of people facing food poverty.
