**EXECUTIVE SUMMARY**  
**PARTNERIAETH JOINT COMMITTEE**  
**3 FEBRUARY 2023**

**PARTNERIAETH UPDATE**

**BRIEF SUMMARY OF PURPOSE OF REPORT**

The report reflects the level of support currently offered by Partneriaeth in line with the Legal Agreement. Partneriaeth is currently offering a good range of support in line with expectations. However, a few areas have been identified as needing further development and additional resources.

Partneriaeth is offering an appropriate range of support for its schools and local authorities (LA) This is evidenced in a range of stakeholder groups as well as strong collaborative working with LA colleagues. Officers are providing suitable bespoke support for schools and clusters.

The Business Plan is monitored quarterly and Partneriaeth is on track to deliver on expectations in the Business Plan. Areas for development have been identified and resources and performance are discussed regularly with Directors of Education.

Schools are recognising the benefit of working as clusters and this is reflected in the officer support across clusters in each LA. However, further work is needed to ensure targeted schools are attending PL events.

During the first six months, Partneriaeth officers have received honest feedback from LA officers in order to refine provision to meet local needs. As a result, engagement, trust and quality has improved. It is expected that open and direct feedback between LA and Partneriaeth officers will be mutually beneficial to shape professional learning and leadership development.
