EXECUTIVE SUMMARY
CABINET MEMBER FOR RESOURCES DECISION MEETING
2nd MARCH 2023

Non-Domestic Rates – IRRECOVERABLE ACCOUNTS

1. The Revenue Services Unit is responsible for collecting significant sums each year in respect of local taxation (Business Rates and Council Tax), Benefit Overpayments and Sundry Debtors (miscellaneous income accounts)
2. The net collectable debit, i.e. the total payable after reliefs and allowances, for these income strands will vary from year to year but is normally approaching £200 million, with good collection rates normally achieved.
3. Despite these good collection rates there will inevitably be accounts where it has not proved possible to recover the debt in full.
4. The attached schedule gives details of a non-domestic rate account that has been identified as irrecoverable for the reasons outlined. The legislation does not allow for recovery of the stated amount.
5. It is therefore considered appropriate to write off this account totalling against the bad debt provision the Authority is allowed via the non-domestic rating “pool” mechanism.
