EXECUTIVE SUMMARY:

SUBJECT: Appropriation of Buildings and Sites for the provision of housing accommodation under Part II of the Housing Act 1985

To facilitate the Housing sections aspirations to achieve their affordable housing targets several sites and buildings have been appropriated from other Council departments portfolios for the provision of housing accommodation under Part II of the Housing Act 1985.

These buildings / sites have been declared surplus by the service users or through rationalisation of our office accommodation.

In accordance with the Authority's disposal policy this process requires the written agreement of the relevant Director or Head of Service and these agreements have been sought and obtained in relation to the below sites / buildings.

- Land at Glanmor Terrace, Burry Port
- 5-8 Spilman Street. Carmarthen
- Land at Plas Isaf, Llangennech
- Former Copperworks School
- Former Lakefield School
- 2 / 4 Coleshill Terrace, Llanelli
- Land adjacent Carmarthen Leisure Centre

To regularise these historical appropriations, it is considered prudent that an Executive Officer report is prepared to formally sign off the appropriations.

In all instances an independent valuation has been obtained for these buildings / sites and monies have been transferred from the Housing Revenue Account to the Authority's general fund account based upon these valuations. The categorisation of the land has also been changed to the Housing Revenue Account on our terrier records.

In addition to the foregoing sites 2 further land parcels are to be appropriated to for the provision of housing accommodation under Part II of the Housing Act 1985 (for potential future housing development), these being:

- Land at Cwm y Nant, Dafen
- Land at Llanfair, Llandovery

It is recommended that this report confirms the appropriation of these sites and buildings for the purposes of Part II of the Housing Act 1985 under the provisions of Section 122 of the Local Government Act 1972
