EXECUTIVE SUMMARY DYFED PENSION FUND COMMITTEE 28/03/2023

Breaches Report 2022-2023

Introduction

Section 70 of the Pension Act 2004 sets out the legal duty to report breaches of the law. In the Code of Practice no 14, published by the Pensions Regulator in April 2015, paragraphs 241 to 275 provides guidance on reporting these breaches. The Dyfed Pension Fund Breaches Policy was approved by the Dyfed Pension Fund Committee in March 2016.

Under the policy, breaches of the law are required to reported to the Pensions Regulator where there is a reasonable cause to believe that:

- a legal duty which is relevant to the administration of the scheme has not been, or is not being, complied with
- the failure to comply is likely to be of material significance to the regulator in the exercise of any of its functions.

The up to date breaches report is attached. Since the last Committee meeting there have been a few instances where employee/employer contributions have not been received on time.

A report will be sent to The Pensions Regulator in relation to an employer who has regularly missed payments and failed to provide documentation. This employer owes the Fund £3,433.42 for the period 1 September 2022 – 31 January 2023.
