

Open Call for Multiply Applications

Multiply is the programme that has been developed to help transform the lives of adults across the UK, by improving their functional numeracy skills through free personal tutoring, digital training, and flexible courses. Multiply provision should complement but not duplicate existing provision. The core requirement of Multiply is the delivery of flexible numeracy skills support to adults aged 19+ who do not have a Level 2 or higher maths qualification.

We are specifically looking for organisations with the capacity and capability to deliver against the portfolio of UK SPF Multiply interventions set out by UK Government and the priorities outlined in the Carmarthenshire and South West Wales Regional Investment Plans.

Multiply Applications will be expected to address the following interventions:

- W44 Courses designed to increase confidence with numbers for those needing the first steps towards formal qualifications.
- W45: Courses for parents wanting to increase their numeracy skills in order to help their children, and help with their own progression.
- W46: Courses aimed at prisoners, those recently released from prison or on temporary licence.
- W47: Courses aimed at people who can't apply for certain jobs because of lack of numeracy skills and/or to encourage people to upskill in order to access a certain job/career.
- W48: Additional relevant maths modules embedded into other vocational courses.
- W49: Innovative programmes delivered together with employers – including courses designed to cover specific numeracy skills required in the workplace.
- W50: New intensive and flexible courses targeted at people without Level 2 maths in Wales, leading to an equivalent qualification (for more information on equivalent qualifications,
- W51: Courses designed to help people use numeracy to manage their money.
- W52: Courses aimed at over 19s that are leaving, or have just left, the care system

- W53: Activities, courses or provision developed in partnership with community organisations and other partners aimed at engaging the hardest to reach learners – for example, those not in the labour market or other groups identified locally as in need.

The budget for this call will be £5.5million
