4. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please set out below the reasons why you consider that the Standards Committee should grant a dispensation in this case:

(Please note that failure to complete this section will result in the application form being returned to you)

The pylons as planned at present do not run over my property and since the first generic letter we have not received further mail nor have we been contacted in person. I do not oppose the section of pylons that could possibly be running near my property as they are well hidden from tourist attractions and run over grazing fields.

I oppose the project on behalf of the crop farming and tourism industry and for the preservation of the Tywi valley, in particular where pylon chains would run past Dryslwyn Castle, Paxton Tower, The Plough Hotel and other tourism strategically important landmarks and businesses. As councillor I have been approached by many residents to fight this and I represent them to my best ability. Being well informed on the project and having attended several meetings about this and having joined a local response group I have a lot of information to share with the council and being unable to speak on the matter or act in the matter would affect the council's ability to assess and discuss the matter effectively on behalf of the residents.

(please continue on a separate sheet if necessary)

I confirm that the information provided on this form is true to the best of my knowledge. I agree that this application and all the information contained within it may form part of a public report to the Standards Committee. I request a dispensation in respect of the above matter.
