EXECUTIVE SUMMARY

Regeneration Division Service Delivery Plan 2023-24

This Divisional Delivery Plan sets the strategic actions and measures that the services within this Division will take forward in order for the Council to make progress against its Well-being Objectives, thematic priorities and service priorities. Actions and measures for the delivery of the Cabinet Vision Statement Commitments are also included.

The plan also notes the support required by the divisional services from the Core Business Enablers in order to make progress against their own actions or actions and measures to be delivered by those Business Enabler services in their own right.

The actions and measures will set the direction of travel and provide a framework for individual staff objectives. It provides an open and transparent way of showing staff, customers, elected members, and stakeholders what is to be achieved and how we plan to do this.

Corporate Strategy 2022-27

On the 27 January 2023 a member development session on the Corporate Strategy was held rather than taking the Strategy through the scrutiny process. Feedback from the session was considered and included in the final Strategy which was subsequently been approved by Full Council on the 1 March 2023.

The Corporate Strategy 2022-27, Well-being Objectives are:

1. Enabling our children and young people to have the best possible start in life (Start Well).
2. Enabling our residents to live and age well (Live and age well).
3. Enabling our communities and environment to be healthy, safe and prosperous (Prosperous Communities)
4. To further modernise and develop as a resilient and efficient Council (Our Council)

Note - The Service Delivery Plan sets out these Well-being Objectives and the thematic priorities and service priorities within the objectives. There may be some blank spaces under some of the Corporate Strategy headings in the delivery plans as Services may not be contributing to some parts – this is acceptable as other Services will be better placed to contribute.

Elements of the service delivery plan relevant to this Scrutiny's remit as identified below:

1. exercising our functions effectively.
2. using our resources economically, efficiently and effectively.

As noted in the Act:

Scrutiny committees are a key part of offering constructive challenge to how a council is performing and how it organises itself in the delivery of sustainable services.
