# EXECUTIVE SUMMARY

## POLICY ON AWARDING GRANTS AND THE WELSH LANGUAGE

### 1. BRIEF SUMMARY OF PURPOSE OF REPORT.

This Policy has been prepared in order to comply with the Welsh Language Standards (The Welsh Language (Wales) Measure 2011). Carmarthenshire County Council's compliance notice states that we must 'produce and publish a policy on awarding grants' that requires us to consider the effects that awarding a grant will have on 'opportunities for persons to use Welsh', and on 'not treating Welsh less favourably than English'.

The Policy has been developed in full discussion between the Corporate Policy Team (who lead on the Welsh language standards) and Economic Development Team (who lead on grant administration).

Although there have been arrangements in place previously to ensure that grant awarded bodies comply with the Welsh Language Standards, there has not been a Policy in place, nor a formal consideration of the impact that awarding the grant would have on residents' use of Welsh.

The Policy details the Council's commitment to administering Grants in accordance with the Standards and explains the way in which the Council will pass on these duties to the applicants. The procedures detailed have been formulated in order to guide the applicants towards ensuring a positive impact of their activities on the Welsh Language. The Policy outlines the expectations that need to be applied in the grant awarding process from the initial information given to potential applicants, through to the application form and the information given to successful applicants.

There is a practical set of exemplary commitments provided in the information given to potential applicants which will guide the applicant to planning a positive impact on the Welsh Language through the administration and application of their proposed activities. These commitments will then be transferred from the application form to the information given to successful applicants. From there, the Policy explains that the commitments to the Welsh Language will be reported upon and monitored.

Finally, the Policy includes an appendix of information on support for candidates working bilingually, and a checklist for officers to ensure the correct application of the Policy in practical terms.

The Policy will align with the Council's Welsh Language Promotion Strategy 2023-28 and the Well-being of Future Generations Act (Wales) 2015.
