						Recommendation: No change to the Policy.
13/10/22	Cllr Gary R Jones	Councillor	Observations	14/10/22	<i>Will this policy include the provision to make properties change the name of house, if it does not conform to the stated property? If so will it retrospectively enforce this policy. Will it mean that property owners can only use Welsh names for their properties? I agree that all new street names should be in Welsh, but again will a retrospective process be initiated?</i>	Response to comment: Many thanks for your comments on the ongoing consultation. I note you have also raised some questions relating to the policy, to which I have provided some information below which I hope clarifies matters. I would however be grateful if you would confirm if you would like us to process your email as a consultation response or whether you simply require additional information. The policy sets out guidance and principles on the process of street and property naming. The policy provides information relating to the Street Naming and Numbering application rather than setting out any enforcement procedures. Should any applications be forthcoming to reflect changes already made then they will also be expected to conform with the guidance set out, and so in that respect it would be applicable retrospectively, we would not however apply the new policy to applications already processed. You will note that the Policy encourages the use of Welsh property names but does not restrict all property names to being Welsh. The guidance has been prepared to encourage the use of Welsh names but in a way which reflects relevant legislation and guidance.
14/10/22	Cllr Gary R Jones	Councillor	Observations	24/10/22	<i>Yes, you can forward these comments as a response. Another point I would like to make is on hybrid names, there was some controversy over the naming of Parc y Scarlets, Stradey Parc etc. One final point, will Community Councils be consulted on street names? Once again I am all for them being in Welsh, but a local input, in keeping with traditional names of the area would be helpful.</i>	Recommendation: No change to the Policy. Response to comment: We consult with Councillors and Community / Town Councils on all new street names created as part of the Street Naming process and this is part of the SNN Policy.

17/10/22	Llangunnor Community Council (Howard Davies)	Town/Community Council	Support		<i>Further to your request for feedback on this important issue please find our comments appended below. As a community council we support the policy objectives that ensures the Welsh language is promoted and becomes more visible on our streets. We also agree that the policy protects the history and character of the communities of our county. We also agree that the policy protects and history and character of the communities in Carmarthenshire. Reading the draft Policy which is a good document, can you please clarify situations where 4.1.4 would be used. I know in the past certain situations have caused highways significant issues such as:- Where you have an existing estate road which later has an additional side cul-de-sac leading off it, it would be much better for us if a new name was given to anything which isn't a clear continuation of the same road. This is because each branch of road should have a separate road number, we don't want to create large estates with lots of cul-de-sacs with the same street name but different road numbers.</i>	Recommendation: No change to the Policy.
21/10/22	Cliff Cleaton	Council Employee with Interest	Observations		<i>Apologies if I have misunderstood the meaning of 4.1.4</i>	Recommendation: No change to the Policy.
09/11/20/22	Llanelli Town Council	Town/Community Council	Observations		<i>Many thanks for your consultation on the Draft Street Naming and Numbering Policy. The matter has been considered by the Llanelli Town Council Planning, Licensing and Consultation Committee where it was agreed to provide the following comments. The Town Council asks the County Council to provide sufficient flexibility in the policy to allow people of significant local prominence and Freeman of the town to have streets and buildings named after them if that is the wish of the Community. I trust you will take these comments into account as part of your consideration of the draft policy.</i>	Recommendation: No change to the Policy.
