Planning and Scoping Document_**

The Health and Social Services Scrutiny Committee has agreed to establish a task and finish group to develop an action plan to help reduce the incidence of childhood obesity in Carmarthenshire – ‘An Active & Healthy Start’.

The Committee’s discussions on the key aims and objectives for this task and finish review have been captured and developed into the appended Draft Planning and Scoping document which members of the Committee are asked to consider and agree.

The Committee is required to agree on which members will form the Task and Finish Group, which will consist of up to 7 Members and be politically balanced.

The Task and Finish Group have met twice to review the scope and to undertake research work. Officers from within the Communities Department and Democratic Services Unit will support the work of the Task & Finish Group.
