PLACE, SUSTAINABILITY AND CLIMATE CHANGE SCRUTINY COMMITTEE

21ST JULY 2023

PLACE, SUSTAINABILITY AND CLIMATE CHANGE SCRUTINY COMMITTEE

FORWARD WORK PLAN 2023/24

Article 6.2 of the County Council's Constitution states that: *"Each scrutiny committee is required to develop and publish an annual forward work programme, identifying issues and reports to be considered during the course of a municipal year"*.

The Forward Work Plan:

- Provides an opportunity for members to determine the priority issues to be considered by their scrutiny committee over the course of the next year.
- Provides the Committee opportunities to scrutinise both budget and performance monitoring reports.
- Provides a focus for both officers and members, and is a vehicle for communicating the work of the Committee to the public. The Plan (see attached report) will be published on the council's website and will be updated on a quarterly basis – www.carmarthenshire.gov.uk/scrutiny.
- Ensures agreement of provisional agendas for scheduled scrutiny meetings within the council diary. The Plan is a flexible document that can be amended to reflect additional meetings and agenda items during the course of the year.

Members will recall that the Committee held an informal Forward Work Plan development session on 13th June, 2023 to begin the process of formulating the forward work plan for 2023/24. This afforded Members the opportunity to develop the Committee's Forward Work Plan within the remit of the Place, Sustainability and Climate Change Scrutiny Committee.

The outcome of this meeting is now presented to the Committee in the Forward Work Plan for confirmation. In addition, throughout the year Members will consider the Cabinet's Forward Work Plan to identify pre-decision reports they wish to place on the Scrutiny Forward Work Plan.
