Cwm Environmental Ltd – 30/6/2023

TASK & FINISH REVIEW:

The Committee at its meeting on 2nd July 2021 unanimously resolved that its Task and Finish arrangements for 2021-22-23 would be as follows:

- 1) *Review on the Fly tipping within Carmarthenshire
- 2) Review on Dog Breeding in Carmarthenshire.

Update: The Task and Finish Group at its first meeting on 8th September, 2021 received an update from the Director of Environment on internal matters that had arisen since the Scrutiny Committee agreement on its Task and Finish arrangements and the endorsement of the review planning and scoping document in July. Considering the information received, the Group unanimously agreed to defer the review on Flytipping to 2022 following the Election process. The Committee at its meeting on 25th November 2021 received and noted a report from the Task and Finish Group which outlined the reasons for the deferral. A revised Planning and Scoping Document was considered and a group was formulated at the Committee meeting held on 24th November 2022.

**This decision supersedes the Committee's decision made at its meeting held on 15th November 2019 – “unanimously resolved that dog breeding in Carmarthenshire be the subject for Committee's next Task and Finish review in 2021”.*

The Task and Finish review on flytipping is currently being finalised.
