EXECUTIVE SUMMARY

COMMUNITY SCRUTINY COMMITTEE 20th JULY 2016

Community Scrutiny Committee Task & Finish review of Empty Properties in Carmarthenshire

Action Plan Monitoring

Review Background

There are approximately 25,000 empty properties in Wales (WG - 2013/14). There are over 78,000 private sector homes in Carmarthenshire, 9,000 of which are privately rented. As at 1st April 2014 2,479 private sector properties have been empty for 6 months or more. The demand for affordable housing in Carmarthenshire continues to increase while supply is falling at a rate that means we can no longer meet housing needs effectively.

At its Forward Work Programme Planning Session in April 2014, Committee members suggested reviewing empty properties across the county in light of housing need and the high volume of empty properties. At its meeting on the 1st August 2014, the Committee agreed to establish a task and finish group to undertake this review.

Approach

A total of 7 meetings were held between November 2014 and June 2015, which were used to consider evidence and information from a wide variety of sources. The Group also undertook a series of site visits to view a selection of empty properties within the county. The main aims of the review were to:

- To identify and evaluate the current activities undertaken by the Housing & Public Protection Division.
- To identify potential improvements and alternative delivery models.
- To identify cost effective best practice by other authorities, agencies and providers.
- To formulate recommendations for consideration by the Executive Board.

The Group consisted of six elected members from the Community Scrutiny Committee:

- Cllr. Deryk Cundy
- Cllr. Sharen Davies
- Cllr. Ken Howell

- Cllr. Irfon Jones
- Cllr. Edward Thomas
- Cllr. Jeff Thomas

The following officers from the Housing & Public Protection Division provided specialist support to the Group during the review:

- Jonathan Willis - Housing Services Manager (Advice & Options)
- Robert Evans - Principal Officer (Home Improvement)
- Leighton Evans - Empty Property Co-ordinator

The former Scrutiny & Consultancy Team which was based in the People Management & Performance Division of the Chief Executive's Department, provided research, co-ordination and general support to the Group.

Final Report and Recommendations

The Community Scrutiny Committee received and endorsed the Group's final report and the recommendations at its meeting on the 22nd June 2015.

The report was duly endorsed by the Executive Board at its meeting on the 27th July 2015.

Following every task and finish review, an action plan is developed in order to assist members of the relevant scrutiny committee in monitoring progress in relation to the implementation of the recommendations.

The attached action plan has been completed by the relevant officers in order to provide an update on progress to date in relation to this review.
