EXECUTIVE SUMMARY

DEMOCRATIC SERVICES COMMITTEE

CARMARTHENSHIRE COUNTY COUNCIL'S SCRUTINY FUNCTION – ANNUAL REPORT 2022/23

Scrutiny plays a key role in promoting accountability in the decision making process of Local Authorities. It is also useful in ensuring that council policies reflect current priorities, as well as promoting efficiency and encouraging partnership working with external agencies.

Carmarthenshire County Council has five Scrutiny Committees who normally meet on a six weekly basis.

The Scrutiny Committee remits were update by the Council following the May 2022 elections and each Scrutiny Committee became responsible for the overview and scrutiny of specific Cabinet Portfolios and their respective services.

In order for Scrutiny Committees to take on greater ownership of their own work programmes, a pre-decision method of scrutiny was introduced which allowed Scrutiny Committees to **decide which reports from the Forward Plan they wish ed to come before them and as per normal process Committees were also** able to identify their own topics and Cabinet could still invite a Scrutiny Committee to scrutinise a decision which was in the pipeline.

The attached report provides an overview of the Council's Scrutiny Function and makes specific reference to the work of the 5 Scrutiny Committees:-

- Corporate Performance and Resources
- Communities, Homes and Regeneration
- Education, Young People and the Welsh Language
- Place, Sustainability and Climate Change
- Health and Social Services
