EXECUTIVE SUMMARY

CORPORATE PERFORMANCE & RESOURCES SCRUTINY COMMITTEE 12th DECEMBER 2023

Revenue & Capital Budget Monitoring Report 2023/24

The Financial Monitoring report is presented as follows:

Revenue Budgets

Appendix A – Authority Corporate Budget Monitoring Report

The revenue budget monitoring reports as at 31st August 2023 are attached and indicate that:

COUNCIL FUND REVENUE ACCOUNT (Appendix A)

Overall, the monitoring report forecasts an overspend for the year at departmental level of £8,730k, with a forecast overspend on the Authority's net revenue budget of £6,098k.

At a high level this is due to a combination of:

- Increased expenditure in adult social care to meet pent up demand as recruitment pressures have begun to ease a little across the sector
- persistent overspends in service areas where budget reductions have been implemented, but challenges in delivery have made it impossible to keep pace with the level of savings required
- Significant overspends in Childrens Services, driven by increased levels of demand combined with complexity, not seen before the pandemic, which has required both a higher number and increased cost of residential placements.

The capital financing underspend forecast at £2.25m is due to scheme delays, a reduced need to borrow and increased interest earned on positive cash balances, partially offset by in year direct revenue funding for a small number of projects as set out in the capital programme update.

The April NJC pay award remains unsettled at the point of writing. As part of the 2023/24 budget setting process the Authority has agreed a £1.5m in year contingency budget which is currently held centrally which provides a partial offset to any costs above the 5% allowed for in the budget.

The full year forecast reflects the impact which includes known financial positions at the point of preparation. As such the forecast does not contain the full impact of any additional in-year and grant adjustments. In line with our existing policies, forecast departmental overspends are met out of departmental reserves, where available.

Appendix B
