EXECUTIVE SUMMARY

CREATING A LOCAL LETTINGS POLICY FOR CLOS FELINGOED, BRO MYRDDIN HOUSING ASSOCIATION'S NEW DEVELOPMENT IN LLANDYBIE, AMMANFORD

Purpose

The purpose of this report is to create a Local Lettings Policy (LLP) for the Bro Myrddin Housing Association's new build development in Clos Felingoad, Llandybie. This policy will ensure that we create a sustainable community where people are proud to live.

Context

The Clos Felingoad development is in the ward of Llandybie. The development will deliver 24 social rented homes:

- 4 x one bedroom 2 person flats
- 2 x two bedroom 3 person bungalows
- 12 x two bedroom 4 person houses
- 4 x three bedroom 5 person houses; and
- 2 x four bedroom 7 person houses

The development will be handed over in one phase in early Spring 2024.

Housing Need

The ward of Llandybie, in which the Clos Felingoad development is situated, is an area of high housing need. This need can be best addressed by providing:

- One-bedroom flats for small households; and
- Two-bedroom houses for small families, this includes families currently under occupying larger houses in the area;
- Two-bedroom bungalows for household over 50 yrs old or requiring level access;
- Three-bedroom houses for households;
- Four-bedroom house for large families, this includes families currently living in unsuitable or overcrowded accommodation in the area.

By applying a mix of tenants across the bands the aim is to ensure that the community is made up of a mix of households and not all high need cases. The aim is to establish community cohesion and sustainable homes for the new development seeing a brand-new community coming together.

1. Policy, Crime & Disorder and Equalities

The development of the Local Lettings scheme is aligned with the Council's overarching Access to Social Housing Policy.

2. Legal

The policy must be signed off by the Cabinet Board Member for Homes before it can be implemented and approved by the Social Housing Partnership Board to ensure no adverse impact on other landlords. This is in line with the process identified in the Allocation Policy

5. Risk Management Issues

Failure to implement a Local Lettings Policy for the new development could potentially result in a lack of cohesion in the new formed communities.
