EXECUTIVE SUMMARY

COMMUNITY SCRUTINY COMMITTEE 14th SEPTEMBER 2015

Revenue & Capital Budget Monitoring Report 2015/16

The monitoring exercise for the period to the 30th June 2015 is attached and indicates that:

Revenue Budgets

Regeneration, Planning and Leisure & Sport (Appendix A) – The Regeneration Business Unit is anticipating an overspend of £34k due to a previous year efficiency to sell the property at Nant-y-Ci which remains unsold. This overspend is offset by vacant posts within Economic Development of £52k.

The Planning Division anticipates an underspend of £27k despite a projected overspend of £153k on Development Management due to non achievement of planning fee income. This overspend is offset by a £121k saving on vacant posts within the division as well as 2 members of staff being charged out to an externally funded scheme (£47k).

The Leisure & Sport Division is forecasting a nil budget variance overall.

Non-HRA Housing (Appendix B) – The non-HRA Housing service is projecting that it will be under its approved budget by £1k.

Housing Revenue Account (Appendix C) – The Housing Revenue Account (HRA) is forecasting an underspend of -£487k to the year end for 2015/16. £201k of this is within Supervision and Management - employee related vacancies -£126k ,staff related travelling -£14k ,supplies & services costs of -£31k (postages/telephones etc.) and premises related costs -£30k (energy charges).

Improvement in delivering savings on void turnaround times etc. will save £280k.

Capital Budgets

Regeneration (Appendix D)

Opportunity Street (Llanelli)

-£446k External funding to be used initially with CCC funding carried forward to 2016/17 in order to deliver the final year elements of the project. Should any works be accelerated and brought forward to 15/16 then the variance will be reduce accordingly.

Use it or Lose it (Llanelli Area)

-£406k This project is currently at an early grant application stage and a decision to approve (by Welsh Government) is anticipated later this financial year. In order to secure external grant funding (circa £1.6m) the approved budget must be safeguarded for future years delivery. This year's expenditure can only reflect early survey and feasibility works which will progress following confirmation of project grant approval.

Cross Hands East Strategic Employment Site

+£1,100k Compensation payments for purchased land have increased significantly following a Lands Tribunal appeal. The scheme variance reflects the projected outturn cost of all land sales based on advice from the District Valuer.

Leisure (Appendix E) – No variances

Private Housing (Appendix F) – No variances

Public Housing (Appendix G) – No variances

A list of the main variances is attached to this report.
