EXECUTIVE SUMMARY

GOVERNANCE & AUDIT COMMITTEE 12 JULY 2024

ANNUAL GOVERNANCE STATEMENT 2023/24

The preparation and publication of an Annual Governance Statement in accordance with CIPFA's Delivering Good Governance in Local Government: Framework (2016) fulfils the statutory requirements across the United Kingdom for a local authority to conduct a review at least once in each financial year of the effectiveness of its system of internal control and to include a statement reporting on the review with its Statement of Accounts.

We as a Local Authority are required to prepare an annual governance statement to report publicly on the extent to which we comply with our code of governance, which in turn is consistent with the CIPFA's Good Governance principles. This includes how we have monitored and evaluated the effectiveness of governance arrangements in the year, and on any planned changes in the coming period.

The draft Annual Governance Statement (Section 3 of the Statement of Accounts) is for review by the Governance and Audit Committee and to provide an opportunity for the Committee to fulfil their responsibility to provide a meaningful review of the AGS, based on knowledge of the governance arrangements, from assurances received during the year before its finalised.
