Please set out below the reasons why you consider that the Standards Committee should grant a dispensation in this case:

(Please note that failure to complete this section will result in the application form being returned to you)

I am requesting that the Standards Committee grant me dispensation to participate in discussions and decisions relating to matters involving Wymondley Pemberton Forum, as I serve as its secretary.

While my role within the Forum may be considered a personal interest under the Code of Conduct, I believe my involvement does not compromise my ability to act objectively and in the public interest. The Forum operates to support and advocate for the local community, and my position does not provide me with any financial benefit or personal gain. My participation in Council discussions is essential to ensuring that the views and needs of the community are properly represented.

I respectfully ask the Committee to consider granting this dispensation to allow me to contribute fully and transparently to relevant discussions and decisions.

(please continue on a separate sheet if necessary)

I confirm that the information provided on this form is true to the best of my knowledge. I agree that this application and all the information contained within it may form part of a public report to the Standards Committee. I request a dispensation in respect of the above matter.
